Heart

Heart is the place of love
hearts make us live they
help us to be faithful
they helps us to to feel
they makes us fantastic
they makes us to be loved by everyone

Lakes

lakes and shore
trees and plants in the shore
they are loving to touch the lake
some touch
some feel
some dreans
lakes are beautiful

Life

LIFE IS THE GIFT OF TREES
TREES ARE THE GIFT OF NATURE
NATURE IS THE GIFT OF GOD
GOD HAD PRESENTED US NATURE
NATURE AND SEAS AND RIVERS
ARE THE ART OF GOD
TREES ARE THE MOST VALUABLE GIFT TO US
WHICH GIVE US LIFE.....!

Rainy Days

Rainy days are enjoyable cold and wet,
How sweet is the sound of rain;
How fear is the sound of thunder
But rain is enjoyable.
Hai rain come and play with me
Please don't go away
Thunder is so fearful
But rain is cold and wonderful

Song

How is song created?
with a bass
or a contralto
sound of a man
brain of another
hard work of musical-
instrument players
this is how a beautiful
heart touching songs are made
