Life!

love poetry!

Oh! My love;

Oh! MY love;

Please come, come-back;

com-back soon.

My heart is for lorn.

And my love is you.

And I always miss you.

I miss you very much.

So, I wish...., you always live in my heart.

Please come my love in the lap of my love.

Love With Whole Heartily

life poetry!

Oh! My life.

Come with me for ever.

Never forget me.

There is no way to go without me.

So, come for me; for my life.

Don't forget me; oh! my life that I always for you and for your.

I want to live. I wish, my life is always blessed with you.

And my life runs with your life's love.

when i lost you
when ever i think about you
thought becomes stranger for me
but wonder when stranger hurting me
i want to call
call goes to wonder land
where no voice reach
then i wonder how to reach that voice on my heart
where heart becomes going on
said only one thing surrounded with you
but still repeal you where are you

a stranger who lives in my heart becomes stranger for me
no wonder when heart becomes stranger for the stranger man
lives in wonder land where eyes becomes wonder for the stranger world
