She Is In My Eye ??

I dropped on my couch like a dead body
And seeing the glittering moon
My eye had closed and think suddenly
She is in my eye and I catch-up soon.

I'm a batchelor and she is a spinster
And I want to say some word
I said to him but I'm become stammer
She think about me become a gaird.

When she is crying like a nit wit
The tears falling like drizzle on the sky
I want to show my hand for to catch up it
After all that she is in my eye.

When she grumbles on me like pealing
This word get me pleasure suddenly
And I falling in her love when she smiling
After all that she is in my eye.

It spelled me to love like swain.

I totally fall in your love like wine
Which pull me for combine.
Your motion make me to fly
I think to move earth to sky.

In the deepest night on my wall
When moon light towards fall.
Your Portrait look like beautiful,
And be pleasureble and be cool.

If I restricted my eye I lose your sight
So I rescind to repose at the night.

By siting on the frustration tree
Which is full of grievous leafs
A sad face capture by thee

I'm far from this spectre tree
Which can't give me to free
Always with a deep depression
Taint child the tree fertilisation.

The tree spread poison on my body
Which killed my children of happy
Now I'm free from his greedy
Which always pull me to beget noisy.

With a great happiness feelings
Now I'm free from anythings
I flew on the sky to serching
Where I endow my inner cooling.

Friendship ??

The world is full of pleasure
When you are with me dear.
I'm become loneliness
When you are become absence.

Your absence make me unsecured
Our friendship never end I pray to God,
I miss those days which we spend
At the river and near the pond.

I recall those days when we run
On the field, when dark covered the sun.
Our friendship is like a mountain
Which is full of entertainment.

Now you are so far from me
I know one day you relief me
From your unpresent key
And We again fly like the flea.

I wait for your coming for me
Our friendship is divine the world see.
We again spread our bright ray
And we reached top of our relation one day.

Dissolve ??

I saw your drowsy fair face
I apprehend with heartless
And dissolve with a glance
It's may be my love fragrance.

I dissolve on your pretty eye
Where saw a Goddess stay
I want to drink wine of the gay
I dropped my body if you say.

At the coldest winter moon night
How beautiful of your Protrait sight
When I intense to dissolve with it
Your love makes me young and bright.

Be a bachelor I want to a spinster
I form a world for dissolve together
Where no one vex us on the door
When we dissolve at night with together.
