Love You

love you with all my heart
things separate but we're never apart
there is always ah place for you
love you yes i do
you say you love me to
i hope this is true
where would i be with out you

Things I Do

Things i do for love
keep you happy with a kiss and hug
tell you that i love you
people ask who u are i say my boo
Things i do for music
write everyday cus i love to do it
it helps me get my feelings out
and helps people know wat im about
Things i do for anything
sometimes just stop everything
and focus on that one thing
because of the Things i do

Who And Why

why is life so complicated
the world who made it
in life who is the greatest
who's real and da fakest
why are things so hard
why are people behind bars
cus they fought ova sum stupid like a car
does anyone really know who they are
who changes the weather
why cant we live forever
why do we die
and is that da only time we really fly
all i ask is who and why
