ADVOCATE, DELHI HIGH COURT, INDIA

THE VOID OF SKY, TRAPPED IN HUMAN GATE,
A POET BY HEART, BY PASSION ADVOCATE.

Deed Or Fate

You are suggesting my Soul to wait,
When time is ripe and future in shape.
But present in sight, which I may control,
This body may fight, and not my soul.

Water change its form, and Man his faith,
But sitting and waiting not changes the fate.
By itself the Water, not changes its nature.
when freezes, turn ice, when heated is Vapour,

Lord Rama killed Bali, Behind his Back,
Bhima pickedthigh, in war to Attack.
Krishna once broken his promise his word,
Pandava bet wife, lost pride and Sword.

When time hostile, situation more worse,
Condition challenging and getting adverse.
Then character of a man examined indeed,
Standing on your feet or changing in need.

Things which eternal in world, not I met.
It depends how handle, example you set.
Deed of a man earns name bad or earns fame,
This only decides, one's fortune, ones fate.
