Hello friends, I'm a Mechanical Engineer. Yes, you read correctly. The people related to our field are not supposed to be a poet. They can write books, but not poems. Here, I'm an exception. And yes indeed, someone special makes me write all these words in the magical sequence.

Thank you & let me know your words on my 'words'.

Tu Shahar Chhod Ke Chali Kya Gayi...

Tu shahar chhod ke chali kya gayi,
Barish yaha bepanah baras padi...
Laut ke aaja jaldi apne khosle me,
Laga de mere dil me khushiyon ki ladi...

Yeh baadal jama hoke kaale,
Dekh rahe aane ki teri raah...
Khul ke barsa kar barish,
Jata rahe unki tuzse chaah...

Inn baadlon me mai bhi hoon,
Dekh jara palke utha kar...
Intezar ki ghadiyaan ginn raha,
Yeh dil mere haath me lekar...

Hai nahi yeh boondein barish ki,
Hai yeh lafz mere mann ke...
Sidha aasman se girkar zameen pe,
Bayaan ho rahe bankar pani zarno ke...

Waqt Hai Yeh Ret Sa...

Waqt hai yeh ret sa...

Nikalta ja raha hai yun haathon se...

Pakade to chubhta hai...

Chhode toh ruthta hai....

Kya karu... jakhad loon...yaa bahne doon usse... bewajah... bekabu....yaa jee loon...

Do hi ghunt bache hai khushi ke...kya mai usse pee loon...yaa de doon uss yaadon ke ped ko...jo aage jakar fal dega teri yaadon ke aur dega chhaanv tere saath guzre hue palon ki...

Kya karoon.....

Bheed me bhi dhundta hoon tera wo najakat sa chehra...

Kyu...

Kya hai...kyun hai...kya pata...kab tak hai...

Phir jaa ke wahi sawal mere mann ko puchhta hoon....KYA KAROON...? ?
