# 01 Sleeping Beauty

Little bunny, sleeps day 'n' night  
In her bed with her doll.  
Whether dark or bright  
She would be in dreaming role.

Everyone had an aim in brain  
For bunny her aim is dreaming dead  
Attempts for waking up bunny was in vain  
For her it is cool to be in bed

## 02 Night Sky

A sky in night is a mixture  
of happiness and sorrows.  
We feel its texture  
as our debt and borrows

Moon is our guide towards success  
and Sun Is the path of success  
Work hard in light,  
to get reward in night.

## 03 Lovely Love

We cry in pain  
We laugh in fun  
neither cry nor laugh in love  
It's LOVE! ! ! !

When loneliness hurts  
Love wins heart  
Love doesn't hurt hearts  
It's LOVE! ! ! !

## 04 Christ On Bet

Difficulties, day scholars face  
that no one tries to solve  
Its heaviness of bags  
that pains their heart and strength

They bet to Christ,  
on carrying the cross  
as they are carrying  
such weighs everyday

Smile! Smile! Smile!  
as it makes every friendship cute  
with a smiling heart

Smile! Smile! Smile!  
as it could change foes  
with good words.

Smile! Smile! Smile!  
as it makes everyone happy  
with a charming kiss.

So, keep brushing everyday

## 06 Everlasting Roles Of Moon

Moon is on sky  
and in lake  
where water flows calm.  
Pale yellow moon  
smiles to the world  
with everlasting roles.

Changed a lot she had  
in a month  
from a dinghy  
to her cute full face.  
Non desirous moon  
thanks the almighty  
for that gift from him.

## 07 Candle

Candle I'm  
Dying for living creature  
Give for them, light of calm  
The light of my life

My fate to serve them  
Enjoy with pleasure, I  
May the boys be gem  
At the light of my life

Kind to me when half  
Rude to me when quarter  
Hate me when dead  
At the light of my life

In sun ignored by man  
In moon regarded by all  
Change their attitude, let them  
At the light of my life

Sorrows my tears are  
Very hard to solve  
Solidifies hence it  
At the light of my life

Let sorrows end with me  
Saying a bye, I  
At the light of my life  
Is the light of your life
