# Lost In A Storm

Lost,  
Lost in a storm,  
In a storm of  
Hatred  
Love  
Disappointment and  
a mix of emotions  
Emotions,  
Emotions of which the beautiful but.....  
forbidden Pandora brought upon me and all mankind  
Lost,  
Lost in a whirlwind  
a whirlwind of physical being  
i see things like,  
smiles  
grins  
frowns  
and stink faces  
everytime i see that faux form of a body  
when staring back at myself in the mirror  
i guess,  
i guess i'm just..... Lost
