## Amanda Wixom(05-09-1991)

Theres not much to talk about really..

Get to know me and wont need to read this Shizzle...

# Afraid

Its hard to wait  
Its hard to see  
I want to forget  
i want to remember  
I wait for it too happen  
But when it does  
Its too late to erase the memories

I sit and wait  
Wait to see if it will ever change  
I wonder if its all worth it in the end  
I hate the waiting game  
I just want to leave this place of waiting  
Just let me leave  
I wont come back

Amanda Wixom

# Alone

Im always distant  
Always alone  
no one notices  
Because thats who i am  
I am a Wall Flower  
The only one I know  
the only one ive seen  
but dont forget  
Your all just like me

Amanda Wixom

# Always

Always pondering  
Always wondering  
Whos meant to be  
and whos meant to leave

Amanda Wixom

# Lost Inside Myself

sitting alone in a room  
full of hate  
anger, wonder, distraught  
let me die  
let me fade like u let me  
let me crawl into the darkness  
and slowly start to decay

help if u want  
but if u don't ill die  
and forever be forgotten

Amanda Wixom

# Love?

Is there such thing  
as too much love  
is there such thing  
as not enough love  
Is there even such thing  
as love.

Amanda Wixom

# Unique

I am unique in so many ways  
one way is i show how i feel  
on the outside looking in  
you have no idea what i go through  
from time to time i might tell you  
but you really will never know  
because  
i am my one self and i may be different  
but im just truely unique  
all the Sh\*\* talkers know my name  
all know my face  
but they have no idea what i go through because of them  
once alone i am fine  
around others.... Im not  
I am unique so F\*\*\* you all who made me  
who i am and go to H\*\*\* whoever wants to be me

Amanda Wixom

# Untie

Im so in love  
But in still confused  
I love you with all my heart  
But i cant let you go  
Help me untie these ties  
That keep us bound together  
help me see  
what's really meant to be

Amanda Wixom

# You.

You're always on my mind  
always thinking  
always wishing  
i want to be with you  
forever and always  
you always say you love me  
and show it so many ways  
Each time i talk to you  
I fall harder for you  
Babe, we're here for a purpose  
I think my purpose is to  
be with you  
but if you think Different  
Just tell me and i'll change my purpose

Amanda Wixom
