and you are a great friend best friend

i will never find a person like you

Great Sister

you are a great sister ever
i will never be closer to any one like i was with you
and i will never find one
and i will not have a person to tell my secrets too
and i will keep in my heart always

How Can I Say I Love You

every time i want to tell i love you
but some go wrong or i am shy
every time you smile at me
i feel so great like i am flying high up in the sky
it is the great moment of my life
but i can't tell you i love you
cuz i am scared that you don't love me
and you are gonna break my heart
and it is gonna hurt so bad
and the special thing about is that you are my first love...
deep love. now because of you i know how it feel to be in love
