Little Girl

A little girl grew up in a small town.
Would've never thought she'd be where she is today.
Blonde-haired, blue-eyed gal that dreamed of traveling the world.
She didn't have a normal life.
She's just trying to find her place in this world.
She does everything she can to make people happy
But the one person she's not satisfying is herself.
She's thought about doing harmful things to herself
But managed to push those thoughts away.
A little girl that would give anything
To be as pretty or talented as a celebrity or model.
She keeps it all a secret from her family and friends.
Not wanting to get everyone involved.
She goes throughout her days putting on a fake smile
For everyone to see.
Luckily she gets by with it and no one expects a thing.
Maybe she'll finally come to realize
How things would be without her.

No Feeling

My body is numb. I fear this may be the end for me. There's no telling when I might die. I've always said how much I wanted to die but I didn't think it would be so soon. I regret saying everything I had. Im not ready to leave yet.
