Angel Are Friends

You've always been there for me,
Though your face I cannot see.
I feel you by my side, all the time
I am here to watch over you. To love
And guide you too. I am here for you
Because of you life has special meaning
To me now

Cheryl

Cheryl

is someone i met and so dear you never lie to me and i always no you will be there that's what friend ship is about i hope i will never lost you again you make me happy when come down or mad you that and your make me happy you have a heart of gold and i will never for get that i no i have bed so mead to some Pearson but i always said sorry no one ever care about me til i met you and my man i lost all my trust in my family and my friends but never lost my trust in you or Vince i need some one to be there and you where and i thank you for that you will away be apart of my life no matter what i love you my dear friend thank you for been there

Dad

dad(pat)

my dad died on the 01.05.08 i never got to
till him that i love him he may had done thinks
to me as a child but he must have been sick
to do them think i live thought the nightmare
all the time i still love him dose that sound right
to any one but i never got to say how i was feeling
i found out 3 moth afind he died and that hurts and
it still dose i will see my dad soon today not tow
but i just what to be with him but know one will let
me go why i ask myself why whattheyy let me go
cant ask one see i just what to be with him i think
i need some help..... all i to do is die i till people
I'm ck but deep with in me its pain.
i love and miss you every day and ill been with you soon

Secret In The Family

sitting here thinking of what you
did to me you where my pop and father
you took apart of me away i told on
you but no gave a shit you hurt me
so mach my life gose on liveing in
shame they play with me like games
why did you do them think to i live in
hell for so long and the nighthmare of my child
hood is lost for every my life from the bigging
was doom any how
