Mohsin-E-Milat

A light of beacon
Arose in the north.
As general truth,
Sun arises in east
But this is the sun
Which arose in north.
He leaded to the
Light of faith.
He does his best
To rephrase
The message of prophet
And words of God.
He made his place,
In the heart chambers
Of all needies.
He really had
Changed the era.
His lenient way,
Spurred us a lot.
When we saw him,
Our eyes become
Full of water drops.
Aah, what man he was?
If we saw the past.
Now, he is not between us,
He met the God
Who showed him the right road
Now the sun has set.
How bad luck we are?
To loss such a sun
Who lighted,
Our hearts
With the light,
Of sympathy and faith.
Oh, Mohsin Milat
We miss you a lot.
We always said
Very proudly
That Mohsin

Is our life leader
But now
What to we say?
If you think that,
He was that leader
Who change the concept,
Of people
And make them sure
Of what Islam is?
Then, he is alive forever
As such leaders
Cannot ever die.
We, now remember
How mercy you had
For the humanity
Just to protect them,
From the evils
And make them safe
From hellfires.
Oh, Mohsin Milat
We miss you too much,
We miss you too much.
