# Flower

What is a flower  
a flower is as silky as  
a dress and as silent  
as a vacant lot.

anna loyd

# This Night

This night I am leaving  
For the unknown  
Life is Fleeting  
I'll leave the weeping  
with those who aren't sleeping  
I leave the house the hills  
the thorns a new me  
has been born.
