Loveless July

When I die
When I die
Please don't cry
Please don't cry
Like you didn't
In July
When I left
Without goodbye.

When I die
When I die
Please don't try
Please don't try
To love me self
More than I
And you know
The reason why.

When I die
When I die
Don't be shy
Don't be shy
Cheer, be happy
No need to lie
Same I will
If you fly.

When I die
When you die
Neither me
Nor you will cry
Looking our souls
Passing by
Higher, higher
In the sky.

When I die
When you die
With no tears

In either eye
Old and bored
Left with no powers
Love in hands
Like dead flowers.

When we die
When we die
Nobody
For us will cry
Like we didn't
In July
And we know
The reason why...
