12) death-He will die remembering poems, litercies with status - nothing in human body and human life so become a lucky in several is better than single win with listening song of diljale - yeh shyam hai dhua dhua and yeh jate hue lamho jara dhaharo song

Director

In this dieland life of human
i was travelling straight concentret
with horror feals
i was too much humbeling with
a butterfly lighter than air
was flying in front my nose
with very small fan
giving directive light live to my mind

Life End

Alive else alive for whom die else die for whom
was rigoure of love but it will be receives in future
increases intension more more that gold nervesness of aliveness
the mortification of aliveness increases smells beautyflness
alive- - die- -for whom
what is this love-love- absence, remembrance, heartyness
what is alive alive- lifestyle or intertreatment of feals
nothing will result whatever to do
atlast feals zero seniority proudy end
hence all we have to alive with least sathification
alive- -die- -for whom
sometimes thinks regular about do end self
but love/beleife/hearty mageism
even helpless nerves increases excisement to alive hopeless helpless
aseverwhere
alive- -die- -for whom

Love

Hey! freind freind-darling darling
i loves love you
who darling who friend
you magnet magnum love
hey love-i did not understand love
image love for educational collagiet
a story song of tuze meri kasam evercreen
and for child to old not educational
a story song of mere humsafar evercreen
freind i also dont know what is love
teach me us whatis love personaly

Mental - Love

Mental-mental- how you mental
i was of 12-13 not understandable m c
i becomes joy by finger
i become memntal -mental
wise you are not a mental then
everybody bounced by me
they becomes menthala, then
ther were huge line waits me
standing they becomes menghada
deu to my problems
my hearts loves to men
mens are my sounds voice gala
they becomes mengala
somebody choised me i becomes married
boths feals mixed in together
he becomes manjada
now i becomes his sound voice gala
what i am- mangala
due to some reason he diethed
i becomes boared boared to intreatment
not satishfied becomes manjeera
trying to forgets past accept neu
i donates my feals to husband brother or lover
i goes to mandeera
how i am mental to mandeera

World

World world wellcome world
in wait of nomber -135 with ip 31
on dated 4/1/2016 at 11.08 pm in poemhunter
meaningfull wellcome world 135
one for a person with wellknown knowledge- lord buddha
three for victory in three word and trisharan
five for five truth of morality panchsheel
135 guess who- the world director of humanity
in so many programmms
we watch free world of flewing birds
teys tells firstread babasaheb
then look bluesh violet colour
then becoming rich programm
do work get rest -simple bed do
and fly as chill birds
we are from buddhaim
then following helpless life
donate partioly some for help of students-upasak
builds several haults for them and flew away as crow world
world worldwellcome
in wait of nomber 135
