I Escape

i escape the storm of death with a beautiful dress with ribbons and ties in my hair
beauty of all kinds i can hear the ocean waves as the surfers do there morning
surf as beautiful as it can be its just all a dream i wake up from my sleep to see
my sheets filled with spit and tears oh i had a great dream why did it have to end
and maybe i dream about this dream again so i can be a princess one last time

I Love You

i love u more then words can say
being with u is all i can say

my heart hurts that i gotta let u go
but baby my love for you well never end
but the lies i cant not take
the cheating makes my heart go waaaaaa
but my love for u is stronger then water
