Confession

You are a friend a perfect friend
but I can't resist myself
not to fall in love with you
You are the love
the fantasy of my life
I tried to hide my feelings but I can't do
I tried to show this but I am afraid to be true
I don't want to be called a traitor
and I don't want to lose you
I know this is wrong
that is why I'll put things in their right place for you
But I can't deny the fact that I need you
and since I can't do
I will just walk away from you
and if I failed I will not despair
coz my love will lead me back to you
and this time I swear that it would be true
I will gather strength to say to you
that I don't want to hurt you
I just want to love you
I don't need an answer
just let me love you

I Hate You

i hate you for disturbing my solitude life
for coming in and never stay.
i hate you for causing me nervous and insomnia
for all the pain and trauma.
i hate you for the unforgettable memories
for losing my nerves and leaving me insane.
how i wish i didn't meet you
coz you only makes me hate you.
and the worst of all
i hate my self coz i cant get over you.

If Only

If only I can see you everyday
and keep you away from harm
If only I can embrace you tight
and kiss you lips 'til the morning sun starts to shine
If only I can hold your hands
and draw your body near until you feel the warm
but all of this are just my fantasy
a fairytale and a dream
To make my life complete
If only I can catch the falling stars
and offer it to you my love
or take the moon to be your light
and collect all the clouds to be your pillow
as you sleep every night
If only I can stop the world
and make the world ours
or stop the rain from falling down
and shade you against the heat of sun
but all of this are too impossible
that only God can do
If only you can see me crying
you will know how much I loved you
If only you can heal this broken heart
you can feel that my heart belongs to you
If only you are here always by my side
I will be thankful for the rest of my life
and if only you are mine
I will be the happiest person in this earth until I die....
