Travel

I would love to explore
The beauty of the world
See facts through my eyes
Hear sounds with my ears

I would love to move
From one country to another
From this city to that city
From village to village

I would love to trek
Every trail I see
Take every turn I find
And follow every path I make

I would love to travel
To beautiful places of my dream
To wherever the heart leads
For a traveler always loves travelling

The Pain I Carry

I always put on a smile
And everyone thinks it's a smile
Unaware of what is inside of me

The thing in me is greater than me
Can't be spoken cause it's beyond speech
I need that one thing that will help

It's writing out what I feel
I feel better if I do so, if so
Then I will write

Love

A beautiful thing for to one
To experience, feel and show
Cause it bonds friends, relatives
And lovers.

To fall in love is like putting
Others before yourself
Because it's about the people
You love

Love is a magical gem to
Explore and it knows no age,
time or anything else cause
It's felt

Poem Hunter

I looked for a place
Where i could show the world
What i got, but i couldn't find

Out of blue, a ray of light shined
In my life and that was you
Poem hunter

I would like to thank you for
The opportunity given to me
To shine out my light
