# Destruction Of The World

i come in the dark  
to take whats mine  
your soul belongs to me  
your mind is mind  
let me hear you scream  
for mercy  
for death

i come in the dark  
this world belongs to me  
let the blood run of  
all those who  
took whats not yours  
let the screams of those  
who raped that was  
not freely given  
your gods will fall

i come to  
take what is mine  
darkness follows me  
everywhere i go  
death and destruction  
belongs to you  
you puny humans  
the destruction of your  
lives are here  
there will be  
no escape  
ha ha ha ha ha  
ha ha ha ha

# I Am The Lone Ranger Who Is Seen But Never Heard

i am the lone ranger who is seen but never heard  
my image is projected as a slayer of gunslingers  
all fear my gun but none fear my command  
i am the lone ranger who is mute  
to my town im the sheriff that will never have order  
i am the lone ranger who is seen but never heard  
everywhere i go the smoke from my barrel follows me  
i will never know love or the touch of a lady  
for bloodshed follows me to make me known  
bloodshed to make me heard  
for every i walk alone  
my gun is and will always be my voice  
im seen as a slayer of gunslingers  
i am the lone ranger

# Life

can you see it  
can you feel it  
can you hear it  
life  
do you know how important it is  
do you even care  
would you just throw it away on a whim  
life  
so sweet you can taste it  
feel it  
hear it  
see it  
why throw it away on a whim  
are you that dumb  
death comes to rip it from you  
steal it from your hands  
don't let him take it  
live your life to the fullest  
fight for it  
win it  
for you're a king
