C.A.'Vionne Robinson(March 27,1997)

Im a girl who loves to write, it is my life, i strive to be a writer. I have a book called Alana Marie Lost in Life.

Awake But Dreaming

Hey you,
moving slow,
candles are lit,
its a thunderstorm,
no thunder no lightning,
walking out in the rain,
there is no pain just rain,
sweet smells,
caremel,
laying down,
next thing i know,
im sleep nd sound dreaming,
Hey you,
over there,
with the long flowing,
black hair,
you're really quiet,
and so am i,
but when our love comes together,
its like a ray of sunshine,
we love music,
so lets play,
our love song here,
todey!

Everyone

Some see life as a fairy tale,
a place where everything will come true,
Many see life as a reflection of themselves,
Looking in the mirror to find every answer,
But for those who see life that way will soon get a wake up call,
Life is not a fairytale,
were everything comes true,
and life will NEVER be a mirror of you,
because not everything is about you,
For those who see life as a reflection or a fairy tale,
need to step away from the mirror,
put down the book, take a step back,
and take a look at reality! ! !
You can stand in the mirror your whole life,
BUT no matter what the damage will always be right behind you,
So take a step back and look at the damage that will
ALWAYS be right there waiting! ! !

Golden (Black Gold)

Is everything suppose to be Golden? ,
Born with not a silver spoon but with a Gold one? ,
Only Gold that I know brings darkness to the one who encounters it,
and that is,
Black Gold,
Whatever is good in your life turns black with time,
because the gold takes over you and the darkness comes,
you try to escape but it pulls you in,
And the Darkness Soon Begins...

Life Is...

Life is a battle that we all must face head on,
a war everyone must fight,
a road that we all must travel down,
Life is wat you make of it,
it leads you in different directions for a reason,
it leads you to your dreams,
and sometimes it doesnt,
Life is time,
a time to make mistakes and fix them,
a time to change your mind,
a time to be random and have fun,
Life is what you make it out to be,
so,
Make the BEST of YOUR Dreams
