What If Rape?

girl i understand it aint easy, whatever they say to make sure you dont say anything, but you really need a brake, they raped you and you are scared to deaf scared that he may come back and do it again, but dont worry us girl can stick together they need to go to jail for what ever they did girl plz dont be a staue that lets these kind of people get by us we love you and you need to under stand we all got you:]♥ here is a story>>>>

'Can we have sex now? '

Girl: 'Can we do what? I thought we were going to the movies.

,

Guy: 'Nah, I wanna be your first, finally.

,

Girl: 'Um...no.

Uh, just keep driving, were gonna miss the movie'

Guy: 'Who cares? I'm more important then the movie.

,

Girl: 'But you have a girlfriend, who happens to be my friend...'

Guy: 'So, if you don't tell, I won't tell.

,

Girl: 'Besides that, I'm waiting for someone special. Someone that I want to be

with for the rest of my life to be my life.

,

Guy: 'I'm not special to you? '

Girl: 'You're my friend. That's all.

,

Guy..Looks forward and keeps driving.

5 minutes pass.....

Guy..Starts to run his hand up the girl's thigh, getting close to where he
SHOULDN'T be.

Girl moves his hand, 'Don't touch me.

,

Guy..tries to kiss her.

Girl screams, 'Would you stop? ! '

Guy continues trying.

Girl moves to the back seat

Guy parks on an abandoned street and gets in the backseat with the girl. Starts

to kiss her and shoves his hand up her shirt, feeling her.

Girl pushes him off and scoots over, 'Please, don't do this. Thats horrible, you pig.

,

Guy: 'Shut up, I know you want it, I can see it in your eyes.'...Moves over to her and starts to unbutton her pants aggressively.

Girl pushes him harder and says, 'No, don't! '

Guy getting aggravated, punches her.

Guy: 'Come on, I wanna get in your pants, and I know you wanna see whats in mine.

,

Girl crying, continues to fight.

Guy punches her harder, pulls her pants off, and holds her down

Girl tries to get away as he takes off his boxers, but he was too strong.

Girl Screams as he shoves himself inside of her, 'NO STOP, DONT DO THIS! ! '

Guy..as he groans, she screams, so he puts his hand over her mouth. groaning continues from the guy as three hours pass...

Girl.. terrified, and still struggling, watches and feels the guy go in and out of her. He pushes inside hard, almost hurting her.

Guy pulls out of her, wipes himself, and puts pants back on.

Guy: 'Wait, I was being a jerk... I didnt ask if you wanted more.

,

Guy...he laughs in a sick, twisted way.

Girl: 'I swear I will get your ass in jail if-'

Guy looks at her, then comes closer. 'Tell the cops, or anyone, I will kill you.. And thats a promise'

Girl pulls back, 'Just take me home, now.

,

Guy: he says 'Alright, right after this. Just for threatening to tell the cops on me, I'm gonna teach you a lesson that you'll LOVE.

,

....The guy does the same thing he just did for an hour.

Guy: 'Fun, wasn't it? '

Guy drives her home. she steps out of the car, angry, scared, and helpless.

Guy acting like everything went okay and they had fun, he yells out the window, 'Good night baby. See you later.'

'

Girl's parents: 'How was the movie sweetie? ' The girl just looks at them, and goes up to her room.

2 months later.....

Girl: 'Doctor, what's wrong with me? I haven't had my time of the month in 2 months.'

'

Doctor: looks at her, 'You haven't been having your period for a reason.'

'

Girl looks at him and says, 'Why? ' dreading the answer that she was sure to receive.

Doctor: 'You are pregnant...'

Girl breaks down crying, .. looking at her belly.

When the girl gets back to school, the story gets out that shes pregnant....

Guy: 'If you lie to anyone and say that I raped, I swear I will beat you so hard, I

would kill you and that baby.

,

Girl: 'But you DID rape me. You groaned, while I screamed. You didn't care about my feelings. You made me have sex with you.

,

Guy: 'So? Why does it matter? You liked it anyways so shut up, stupid slut.

,

....LATER THAT NIGHT....

....Girl was found dead, in her room, hanging from a rope.
