i lived with my mom till i was 4 and then social services took me away and i was in foster care for 6 months and then my nan got custurday of me and then my mom went to prison and my dad just went i havent seen him in 7 years and thats basically thats my life

My Dream

When you and I are far apart.
Can sorrow mend a broken heart?
I love you babes i really do.
Sleep is sweet when i dream of you.
All you are is a blooming rose.
Night is near so i must close.
With care read evry word of the first line.
You will find this dream of mine.
