# Desire...

Desire...

I see you every week

I get weak in the knees

And my heart skips a beat

You are more beautiful than you know

I love the way you make me laugh

And I love you more than you know

It is a true tale of the beauty and the beast

Where I'm the beast and there's no happy ending

And it's tearing me apart piece by piece

I try to keep my distance and stay away

But yet I find myself thinking of you night and day

I can feel your touch

I can hear your voice

When I think of you I can't help but to laugh and blush

You are the woman of my dreams

And it's sad that that's where you will stay

In my hopes, In my heart and in my dreams
