“let's Talk To Each Other “

Why Man & Woman
There Like Don't Talk To Each Other
If In Love With Each Other

Talk To Wife Or Huband Let Them Know
How You Feel About Each Other
Ask Each How
Feeling Today
Was Work

Kiss Him Or Her
Show Them Love
Hug Each Other
Ask Her Or Him
Go Out For A Walk

Get Some Thing To Eat
Call Him Or Her
Ask What Time Come Home
And Cooking Food
That What Love All About
Talking To Each Other

Why Man & Woman
There Like Don't Talk To Each Other
If In Love With Each Other

Talk To Wife Or Huband Let Them Know
How You Feel About Each Other
Ask Each How
Feeling Today
Was Work

Kiss Him Or Her
Show Them Love
Hug Each Other
Ask Her Or Him
Go Out For A Walk

Talking To Each Other

Please Don'T Leave Me

Spoken Baby please don't leave me
I've dreamt of you all my life
Please don't run away from me
Nobody loves you like I do
Please don't leave me
Without you being in my life
You'll be another sad song

Verse 1

Oh baby can you see
Baby don't run away from me
Is it still raining, tears wash away my pain
I need you in my life
On bended knee come be my wife
I'm not lying, will you be mine again

Hook

My love for you is real
And that's exactly how I feel
Baby don't leave me
Please don't leave me
My love for you is real
Can you please tell me what's the deal
Do you wanna leave me
Baby don't leave me

Verse 2

Can we talk this out
What made you second guess and doubt
This is crazy, emotions are displaced
I think you need some time
To work this out inside your mind
Your unsteady, its written on your face

Hook x2

Verse 3

You say you wanna go
Deep inside do you really know
It's conflicting, feelings you hide away
I need another chance

Because there is no other man
I'm here crying, hoping that you will stay
Bridge (Spoken) My love is real for you
I am not playing games with you
So please don't go because
I love you so much
I'd like to know how you feel about me
Do you love me yes, no
Please tell me because I'd love to know baby
