I am 16 and i go to bremen highschool. im not really into poetry but i do like reading some of it.

Hand In Hand

The space inside me
was full of pain
Dripping with sadness
I couldn't explain

But now that I have you
My goal is clear
I give you my heart
and keep you near

By my side
there you stand
you and me
hand in hand

Throughout the years
we've loved and fought
but it was worth it
for what it taught

I love you (Name)
with all my heart
to me you are a work of art
with the best laughs
and the brightest smiles
that even a blind man could see from miles

By my side
there you stand
you and me
hand in hand
