Good Enough

When will i be good enough.
Will i ever be ok in your eyes.
I'm sorry i cant make you happy.
I tried.
What do you want from me.
I've given all i have.
Will i ever be good enough to just be your daughter.

My Dream

I try to get to you,
but no matter how fast i run, your always one step ahead of me,
Always one inch out of reach.
I want you so bad it hurts.
But i dont think i'll ever have you, all of you.
I'm reaching for you, reaching.
Calling your name, calling.
Then finally you stop,
you turn around,
looking into my eyes you take my hand.....and then i woke up.

My Everything

You make me smile when my heart is sad.

You've inside my head, the good, and the bad.

When I'm having a bad day, one look from your blue eyes and it all goes away.

You saved me from myself, more than you know.

I used to want the blood from my wrist to flow.

But now I have something to live for.

Each day I love you more and more.

You're my everything.

My Little Secret

I've done it again.
I tried to stop the pain but only brought more.
Someone save me.
It hurts.
But i cant stop.
I wish you understood.
But you never will.
No one can ever know about my little secret.

Unwanted

Why doesnt he want me?
Was it something i did?
I was just a kid.
Hold me close daddy and never let go.
How i miss you so.
I'm sorry i wasn't good enough.
Yes my life has been rough.
But i dont need you.
Just leave.
