# Deepak Dhyani(11/10/1987)

Well I am an Electrical Engineer.....

But I am not crazy for it! ! !

I have started writing few years back...

Hope U people will like them...

my facebook

Any suggestion is most welcomed..

Do mail me at...deepakdhyani12345@

# I Have A Heart.....

I have a heart and that is true,  
What is multiplying inside me is a feeling so blue,  
What it is?  
And how it is?  
Its a question of mine,  
It's a feeling so blue that will ever shine.  
What's inside it is a face so bright,  
The way she smiles makes my heart so light.  
She looks so beautiful with every smile,  
I just love her in my own unique style.  
What is going inside me I just can't explain,  
I am lost and carried away with the feelings falling like rain.

Deepak Dhyani

# I Want You To The Core Of My Heart! ! !

You don't feel the way I think,  
Your heart doesn't dips as the way mine sinks,  
You can manage your feelings in a better way,  
But my heart is so weak that feelings just flow and it just cant stay.

what I want from you?

I just don't know.

May be I want your feelings to melt like snow.

May be I want you to the core of my heart.

May I want you as the girl I love,

Doesn't matter if someday your feelings matches mine or it remains a distance  
'APART! ! ! ! !'

Deepak Dhyani

# If Someday You Hate Me.....

I someday you hate me for a reason,  
I'll love you round the season.

If someday you hate me like anything,  
I; I fall in love with you more deeper, without thinking anything.

If someday you hate me the worse,  
'I love you'..and the thought will keep on running like a horse.

If someday you hate like hell,  
'I just love you' this I'll yell.

If someday you hate me,  
I'll love you.

If someday you hate me,  
I'll love you.

Deepak Dhyani

# Inside Me Is A Thief! !

deep down inside me is a thief,

u may call it a passionate thief,

a thief who doesn't want to steal neither gold nor diamond,

but yeahh! ! a hell more precious thing,

no its not any material he wants to steal,

he just want to steal the moments of your eyes blinking,

the moments of your lips making beautiful curves,

the darkness of your hairs,

the softness of your voice,

he just want to steal your heart...

no he is not going to steal and and run away,

he just want to stay there...standing in front of you,

waiting for your smile and offering his heart in exchange! ! ! ! ! ! ! !

# Is Soch Mein Bus Kho Jata Hun.....

Ek baat jra batlata hun,

Hai yaad teri harpal..yeh geet sda gun gunata hun.

Tu har baar chahe na khe,

Bus har baar ek ummed lgata hun.

Ek roz kbhi vo bolegi,

Ek waqt kbhi vo aayega,

Us waqt ki talash mein aksar bewaqt nikal jata hun.

Kho jata hun aksar sapno mein,

Kuch pakke se kuch kacche se,

Pakke kacche ka dhyan kahan?

Har manzil mein ussey mil jata hun.

Kuch bolegi shayad vo kabhi,

Is soch mein bus kho jata hun.

Is soch mein bus kho jata hun.....

Deepak Dhyani

# Someday It Wil Come True.....

You often say that you don't feel that way,

I always feel that somedy i'll find that ray,

Is that the beacon of light,

Or the words so light,

Whatever it is!

But surely it's a feeling so bright,

The words which on hearing can make my heart take a gentle flight,

will she say?

Will she think that way?

May be not!

Am I thinking too deep?

Or am I thinking you in the mid night sleep?

Whatever it is.....

It's a feeling so blue

I know someday.....It will come TRUE!!!!!!!!!!!!!!!!!!!!

Deepak Dhyani

## Something In Your Eyes.....

Something in your eyes is what i can see,  
Something in your heart is what i can feel,  
Something in your lips is what i can read,  
Something in your voice is what i can hear,  
Something in your care is what i do like,  
Something in you company is what i am crazy for,  
But...But.....  
Something you never admit and will never admit is what i am waiting for! ! ! ! !

# Will You Ever Accept That You Love Me? ? ?

Will you ever accept the things?  
If ever you will,  
Tell it slowly as my heart will sink.

Will you ever speak the words?  
If ever you will speak,  
Speak it slowly as I'll go a bit freak.

Will you ever let me know? ?  
If ever you will,  
Tell me with a pause as I'll go crazy without a cause.

Will you ever hold my hands forever?  
If ever you'll,  
Hold it tight,  
It would be dream come true and I may fall down at the very site.

Deepak Dhyani

# You Mean World To Me.....

Garima you know what's sweetest thing between us? ?  
It's you...

Garima you know what goes into my mind all the day? ?  
It's you...

Garima you know what's deep inside me? ?  
It's you..

Garima you know what I really want in life? ?  
It's you..

Garima you know what runs through my mind even when I am silent or shouting? ?  
It's you..

Garima you know what I really dream of? ?  
It's you..

Garima you know what comes before I? ?  
It's you..

Garima you know what means world to me? ?

It's you....

It's you....

It's you....
