I Love to dance sing read work with computers and much more

My Mom Danay Is an artist check her out just searh her up

Always Be A Leader Not A Follower

Always Lead, dont follow, cause if you do your parents heart will bleed, you want people to be your friend be yourself, not no one else if you be you, you will have friends, That are tight till the end, be cool, be yourself, Cause if you dont you dont lose you self only you need to take a break and gain your health goodluck show the world who you are.

DeJanae Jackson,11

Fake

Im ready to fight, never scared never gonna be, always gonna do me, i thought you were the person on my side, but when i look on my facebook and see your friend request i decline, i wish i had a true friend, obviously thats not you, youre fake lame and Not MY Friend and i always thought we would be tight till the end, but now that i know your fake, i Friend ship vase will always break and never change
