Les Guru Giri

O Guruji!
give me your learning,
to feed my yearning,
so I can become me.

O Guruji!
send me your image,
to worship your plumage,
so I can see you in me.

O Guruji!
build your institution,
to save my destitution,
so I can sleep peacefully.

O Guruji!
be compassionate with aid,
to cure me from AIDS,
so I can live again joyfully.

O Guruji!
fill half your emptiness,
to empty half my fullness,
so I can be centered neutrally.

O Guruji!
what's your law of causality,
to perceive my duality,
so I can conceive my reality.

O Guruji!
shower blessings of detachment,
to sever all my attachment,
so my spirit can roam forever freely.

O Guruji!
what's your conclusion,
to my delusion,
Oh! I'm your disciple to be.
