Aaj ki raat

Mein din raat hoo mehnat kartta  
Abhi tu ki bas shurwaat hai  
Aga dekho kya hotta tumara sath hai  
Dushman hain bohot  
Lakin himmat mera pass hai  
Wo bhi iktimetha  
Ya abhi ik tym hai  
Mena khud likhi apni ryhm hai  
Kyun bolta ho meri hi duniya mein hai shine  
Now  
U don't feeling fine  
Now u only catch wine  
Now I don't stop  
And I don't care.  
What are u thinking about me.  
I Only focus on my goals  
Not know what's ur role.  
Every day I make so better than u  
Open u r ears and listen my challenge.  
I only speak truth. More silence.  
I don't like any violence.  
I want only peace.  
One day u speak.  
We r brother.  
Can we work together.  
Than, I am feeling super.  
Insha allah hongam  
Mai tujhse kafi uppar....

My dear handsome man
