"our Never- Ending Story"

In your eyes, I see the stars,
And all the beauty of the skies.
With each breath, my heart beats strong,
As I look into your loving eyes.

Your touch ignites a flame in me,
And all my senses come alive.
With you, my heart finds its home,
And in your arms, I feel alive.

Our Love is like a never -ending story,
One that's filled with passion and delight.
Together we'll face life's up and downs,
Holding hands, forever side by side.

So let us dance beneath the moon,
And whisper sweet nothings in the night.
For in each other's arms, we find our joy,
And all our worries take their flight.

Our love is like a gentle breeze,
That softly carries us away.
Together we'll journey through life's twist and turns,
With love guiding us day by day.
