I'm a fun loving student of saraswati shishu vidya mandir.
I love to explore.
and I live life to its fullest

Valentine's Day

at a crack of day,
on saint Valentine's day.

he came to me
and asked time

for a gift for her.

I said to him,
to get a dim
red roses for her

he does the same and
and wrote the name
of his sis on it

he told me that
she is the one
most lovable then anyone
