A Poem That Talk About The Prophet Mohammed

A poem that talk about the prophet mohammad(SAW)

In his life.

He never lie.

He never got lost.

He don't know

anything except

the truth that he always said

He understood his life.

He tell us what

god had tell to tell us.

But he never lie. He do everything

That god tell him to do, because

He memorise his life. The only

Thing that rest for him is only

The paradise. Is the jealous

People who said he lie, but

He never lie. We have to do

What the prophet mohammed

tell us to do, just to go the

Paradise. To guide us, he only

Does the good thing. He ask god

To guide us. We have to commit

Good thing and thanks allah

Who guide us to the right path.

Amitié

Amitié

J'ai besoin de savoir qui sont mes amis? Qui est mon vrais amis? Souhaitez-vous être à mes côtés jusqu'à la fin? Puis-je vous dire mon secret et vous chassera jamais? Serez-vous là pour moi quand j'ai besoin de toi?

Peu importe comment vous occuper je prendrai le temps pour vous? Je vais prendre votre main et le confort tes larmes? Voulez-vous me tenir et apaiser mes craintes? Je vous montre l'amour et l'amitié.

Peut-on partager ce même à travers de nombreux miles? Je n'oublierai jamais ce qui est important pour vous? Est-ce que vous vous rappelez ce qui est important pour moi aussi?

Je vais partager mes choses les plus préférées avec vous? A partir de maintenant que nous sommes amis, croyez-vous vraiment soin de moi?

Si vraiment vous soucier de moi, je tiens à toi aussi? Alors, je sais que vous êtes l'un des amis les plus vrai?

Amour Des Amis

Amour des amis

l'amour est vraiment partie d'une étroite amitié. Mais un amour ne reste pas toujours l'amour. Parfois, il se transforme en un amour calme.

Franchissement de cette ligne, entre l'amitié et l'amour, peut être à la fois magnifique et extrêmement difficile.

D'amitié est un thème qui existe toujours dans le monde et chaque personne est capable de le faire.

Being Away From A Friends

To my new friends moustapha

This is for the best friends that I have in my life.
Being away from you for so long I am feeling so bad.

With you I am so happy because you keep my heart is where I found my heart
and how I feel for you.

I try so hard to avoid this feeling But i don't know how can i do that. I said that I
would never again, let someone take my heart beside you.

Everyday you are in my thoughts, every night you're in my dreams. Because I'm
thinking about how our friendship is going.

I didn't expect that I'm gonna live the country without you.
This is really what is seems to me.

I know that we miss each other but I think we gonna be together one time if we
don't die. keep our friendships in mine as you sleep.

But just think about it. Friendships love is a strong love, but sometime it turn
into a calm love.

Try to know that when life get you down, and there's nowhere to go I'll help you
through and I'll share my best.

No matter where we are, just know that I'll be your lifesaver. That must shows
that I want to let all the world know that I have a friends.

I love you for all you do to me. Try to know that if hugs were leaves I will give
you a tree.

I will give you hope when your life is slow, and I will give you a place when you have nowhere to go.

How To Be Friends

Friends

I need to know who is my friends? Who is my true friends? would you be by my side until the end?

Can I tell you my secret and thrust you forever? Will you be there for me when I need you? No matter how busy you are, I will make time for you?

I will take your hand and comfort your tears? Will you hold me and soothe my fears? I will shows you love and friendship.

Can we share that even across many miles? I will never forget what is important to you?

Will you remember what's important to me too? I'll share my most favorite things with you? From now that we are friends, do you truly care about me?

If you truly care about me, I care about you too? Then I will know you are one of the most true friends?

Love Of Friends

Love of friends

love is very much a part of any close friendship. But such a love doesn't always stay love. Sometimes it turns into a calm love.

Crossing that line, between friend- ship and love, can be both beautiful and extremely difficult. Friendships is a theme that existe forever in the world and each person is able to make it.

To My Teacher Ms. Emily

To my teacher to Ms. Emily

I always look forward to your class when I came to school. I enjoy each lesson you teach.

As my role model you inspire me to dream, to work very hard in class and to reach. You are an awesome teacher, you are smart and intelligent.

With your kindness you always get my attention. But to be honest, sometimes I bother you.

You make me understand each lesson you teach. I'm thankful for all that you've done for me.

I admire you each day and I just want to say as a teacher you are the best forever.

Un Poeme Qui Parle De Notre Prophet Mohammad(Saw)

Le prophete de dieux
dans sa vie, Il n'a jamais mentis.

Il n'a jamais perdu.

Il ne connait rien,

que la vérité qu'il dit.

Il a compris sa vie.

Il nous dit ce que

dieux lui a dit.

Mais Il n'a jamais mentis.

Il fait tous ce que dieux lui a

dit, parce qu'il a memoriser sa vie.

Il lui reste rien que le paradis.

C'est de jaloux qui vont dire

qu'il a mentis. Mais Il n'a jamais

mentis. Il faut faire ce que le prophet

Mohammad nous a dit,

pour partir Au paradis.

Pour nous guider.

c'est ne rien que de

bien qu'il fait. Il demandait
a dieux pour nous guider.
pour nous qui nous a guider, ont
doit faire du bon et lui remercier.

Who Can Care About Friends?

Who really care about friends?

People care about their friends, some can change difficulty into a smile.

Some people can Understand you better than other. People will never gonna share your secret to other,

because they care about you. You are that kind of a jewel to some people,

people can give you all their love to hold.

People always near, when you need them, all you have to do is just call them.

People are always here to help you.

It doesn't matter what struggle you have, It doesn't matter where they are, it doesn't matter when,

when you need them just call them, for me, I was born just to be friends with people and other.

Just think that people are in your universe of obligation and you too.

Why Is Life?

Why some people can't understand what is life?

I am a help man.

I wonder how people suffer for life because they think it is forever.

I hear about crime.

I see an imaginary or actual sight of a crime.

I want a desire.

I am a help man.

I pretend like a dumb.

I feel like people are committing crime anytime.

I am worried about poor people, because they don't know a lot about crimes.

I'm not a liar.

I cry so badly to help anyone who's sad.

I am a help man.

I understand how racism in America is very bad for immigrants.

I swear to God, if I am the president and I have a man I couldn't do something bad at all, because it is so sad.

I dream that my mother had told me not to do something bad.

I try if I could change myself from being bad.

I hope everybody would understand that life is not forever, so don't do something bad.

I am a help man.
