# Dr. H S Swadhin Kumar Pal()

Dr. H S Swadhin Kumar Pal is an Indian academic, educational leader, and author known for his work in English literature, educational administration, and mentoring PhD scholars across India and internationally.

## Academic Background and Roles

Dr. Pal holds multiple advanced degrees including MA in English, B.Ed., M.Ed., TEFL/TESOL certification, and a PhD in English. He has served in pivotal leadership positions such as school principal, correspondent cum manager, and superintendent in prominent schools, particularly in the CBSE and CISCE education systems.

## Authorship and Publications

He is the author of books like 'The White Hair,' which offers a tribute to the elderly and captures their wisdom and achievements, and 'Canonized People,' exploring the spiritual journeys of inspirational figures. His writing and educational philosophy emphasize both academic excellence and holistic personal growth.

## Guidance for PhD Holders

Dr. Pal has provided extensive guidelines and resources to help PhD English holders find government job vacancies in India. He regularly shares updates on faculty and project recruitment opportunities, encourages rigorous job portal monitoring, and details essential application protocols such as eligibility, documentation, and deadlines. He is also active in advising candidates regarding preparing CVs and interviews for academic posts.

## International Networks and Support

Dr. Pal is engaged in facilitating connections with international supervisors for English PhD candidates, providing tips about application procedures and networking with universities both in India and abroad. He offers advice on contacting supervisors and building research networks in fields such as literature, linguistics, and cultural studies.

## Contact and Outreach

His professional contact information is public, reflecting his openness for collaboration and mentorship among aspiring scholars and educators. Dr. H S Swadhin Kumar Pal stands as a figure of academic leadership, literary mentorship, and educational advocacy, dedicated to empowering scholars and guiding career development in English literature and related fields.
