# Love Never Dies

Night by Night, Day by Day

I'm here for you anytime you got something to say!

Feels like the first, Hopefully never the last

My heart is like a bottle rocket, it goes off with a blast!

Kiss by Kiss, Look by Look

You are the friend I never had, You'll always be in my book!

One heart, One soul

Trust me you'll never be sold!

Beauty is pain, Hard work is tough

I like a challenge and I never bluff!

I love the way you look at me

Your eyes so bright and Feline

I love the way you kiss me

Your lips so soft and keen! !

I love the way you make me so happy

and the ways you show you care

I love the way you say "I like you"

And the way your always there!

I love the way you talk to me

Always sending chills down my spine

I love that you are my girlfriend

And glad that you are mine!

And yes you always speak to me

In sweet honesty and truth

Your caring Heart keeps out the rain

YOUR LOVE, the ultimate roof! !

I wrote your name in the sky

But the wind blew it away

I wrote your name in the sand

But the waves washed it away

I wrote your name in this poem

And FOREVER it will stay! ! !

When I first met you

I didn't know what to say

But when I got to know you

Everything went Okay!

When I saw your face today

It really brightened up my day!

That smile is perfect and your laugh is mesmerizing

When I look into those eyes its hypnotizing! !  
I got nothin to lose, but plenty to gain  
A down ass chick with a body and a brain! !  
Your intelligence is only matched by your beauty  
Oh dam girl lest talk about that booty!  
That ass got me fiend-in like crack  
Let me get my fix, bend over lemme give it a smack! !  
I love the way your long hair flows  
Down your back, your so cute from your head right down to your toes!  
You got the perfect figure  
Every time our lips touch I want to dance around like im in thriller!  
I could be your king and you can be my queen  
Back to the room, lets get the whipped cream! !  
Your personality is a whole other subject matter  
Your jokes and your smile always fill me up with laughter! !  
I think about you all the time  
Your always in my head  
I reread every text you send  
And remember what you said!  
I'm always here for you  
Every hour of the day  
I'll never let you down  
or hurt you in any way! !  
I love you more than anything  
You're like the air I breath  
And when I look around  
I know you're all I need! !  
My sunshine on a cloudy day  
That's one thing that you are  
And even on the darkest nights  
You are my brightest Star! ! !  
Amazing and beautiful  
Not a flower or tree  
Much prettier than that  
And only I can see! !  
Loving and caring  
Right down to the core  
Filling me up with happiness  
and so much more!  
Eyes are so stunning  
I cant look away  
Gorgeous and shining

I'm here to stay!  
Here in your arms  
Is where I belong  
The beating of your heart  
Is like a song! ! !

# The Bosses Daughter

Well I heard he needed some help on the job  
Somebody with a truck and two strong arms  
Not scared of dirt and willin' to work  
till the sun goes down!  
So I rolled up and said I'm your man  
I could start right now and we shook hands  
He said the roads need shoveling',  
the tractors need cleanin  
And the mexicans need bringin round!  
I was haulin water, I was feedin the ground  
and that summer sun had me sweatin like a hound  
So I cooled off in the creek  
then it was back to work in that daggum heat  
I was cussin' out loud, thinkin bout quitin'  
Lookin' back now I'm sure glad I didn't  
Cuz just when i thought it couldn't get no hotter  
I caught glimpse of the bosses daughter! !  
She was just gettin' home from some Texas city  
she was all tanned up and my kinda pretty  
When her eyes met mine  
I was thinkin that I sure love my job  
As the days got shorter our talks got longer  
The kisses got sweeter and the feelings got stronger  
So we'd hop in the watertruck and get all tangled up  
we were at my house all night long  
when the sun came up I was sneakin' her home  
and draggin my butt to work  
with the smell of her perfume on my shirt  
I'd be on the tractor she'd be on my mind  
with that sun beatin' down on this back of mine  
Just when I thought it couldnt get no hotter  
I fell in love with the bosses daughter  
There ain't no better life for me!  
I'm still haulin' water and feedin' the ground  
and that summer sun has me sweatin' like a hound  
so i cool off in the creek  
and she brings me outta glass of sweet ice tea  
I'm on the tractor and shes on my mind  
and I can't wait till its leavin time

and just when i think it can't get no hotter  
I come home to the bosses daughter  
Yeah the bosses daughter!
