im 13 years old. ive had a rough life so far. theres one person that keeps me going and thats jake. ive messed up with him 3 times because ive been emotionally unstable. if i can get stable, which is what im working on, he sasys he'll give me one last chance. one last chance to prove i love him. he may not believe it yet but i do and i always will no matter what anyone says.

Broken Relationships, Broken Promises, And Hurting Inside

Can I?

Will I?

Who knows, after everything that you've done to me.

You tore my heart out like it was nothing.

You so easily say your sorry and expect me to forgive you.

Well, it's not gonna happen.

Not again.

You say your gonna change and I've believed you before,

Atleast I thought I did,

My heart said I shouldn't have let you back in,

But I didn't listen.

You have hurt me so, and now.....

You can't make it up to me.

You never will be able to.

You made my life a living hell.

You chose her over me.

Your girlfriend over your own daughter.

All I can tell you is to get outta my life and don't come back.

Because I wont be here for you to fall back on when she's gone.

I was your #1 girl,

I was daddy's little girl,

I was your little girl.

Whatever happened to 'My Little Angel'?

As soon as I saw her I knew there was gonna be trouble.

How could you break my heart over and over again?

This is why she left you,

You caused her pain,

Just like you cause me pain.

My heart quakes, then it breaks.

It's beyond repair now.

For the past year I've been looking for someone to fill your place,

For some male figure to give me the love you don't.

While doing so I've lost friends, friends I wish were still here.

Friends I wish would be here when I need them most.

This Is what you've caused.

So why should I trust you again?

Broken relationships,

Broken promises,
Hurting inside.

Long Gone

i dont regret what was said
i dont regret the pain i caused you
i dont regret anything.

the pain you've caused me is what you feel now.
i hate you i really say i dont but i do.
i dont want to see your face ever again.

i dont want to live with you,
see you,
be near you,
i dont want any form of relationship with you.

leave me alone.
my eyes burn from makeup running into them.
it burns like hell.

your the one,
the one i wont gone,
long gone.

Save Me

I'm falling, falling for you.
I'm crying, crying because I can't have you.

Dying, dying because you aren't here.
Wishing, wishing you were here.

Depression comes over me like no other.
Sadness overwhelms me.
The pitiful cries overheard by the angels.

Save me, please?

The angels are taking me away.
Away from all the hurt,
Away from all the pain.
The pain of losing you.

But I don't wish to go.
I wish to stay.

I still have a chance,
A chance to get you back again.
At least.....I hope.

Save me, please?

I need you,
I want you,
I wish to kiss you,
I wish to be held in your arms.
To feel your skin up against mine.

You are the one I dream of.

Save me, please?

I need, want, wish, hope to be with you.

Save me, please?
