This Is My Hearts Desire

When I see my Savior's Face
I know I have finished the Race
He has saved me by his marvelous Grace
Which has given me a solid Base
I earnestly look to that blessed Day
Where I will be home, finally to Stay
I'll be at my savior's Feet
and have comfort of escaping the great Heat
He has so freely Gave
when I have badly Behaved
Jesus is heaven's greatest Treasure
It's more than the world could offer in Pleasure
When we come to the pearly Gates
We will see many who are our Mates
We will all be One
Just like the Holy One
No more shedding of Tears
Only the beautiful noise of Cheers
Oh, how beautiful it is to walk by the Crystal Sea
and be so FREE
I looked at the jasper Wall
Having no heavy burdens to Haul
No more agony and Pain
Only Joy is what Remains
My friend you can only enter God's holy Place
By God's Amazing Grace
Take now, his Hand
and He will lead you to the Promise Land
It is better than being at the depths of Hell
Where no one can hear you Yell
My friend Please hear my Story
About God's love, mercy and Glory
Take a Look
In God's Holy Book
It is the Bible
For the poor, weak, and Feeble
God is the one to Fear
so please my friend take heed to what you Hear
Don't shed no tear for Me

For I have been Redeemed
Oh, how precious is the Flow
That makes me whiter than Snow
I am SON, For it has been Done
Sin brings forth Death
But it is the Lord who decides your last Breath
This is my Hearts Desire
That God would Kennel in your Soul a Fire.

Whispering Sweet And Low

Walking with the Lord brings me peace
praying night and day my sins to cease
Jesus, whispers sweet and low, you are mine
He sits at my hearts door wanting to come in to dine
How can this be?
That this great love can be so free
after all my sins have done to you
Jesus, whisper sweet and low, I love you
God is full of Grace and Love
His Spirit has fallen on me like a dove
Jesus, whisper sweet and low, you are mine
His word says, My sins, He Bled and died one time
Hanging their on the cross, His mind was on you
Whispering sweet and low, I Love you.
