# I Apologize.....Please Accept!

I was shocked  
when you said goodbye,  
I can't do anything  
but to cry.

When i've got the strength  
immediately i called,  
but your phone was busy  
i couldn't get through.

I dialled your number again  
at last, your phone rang.  
You asked, are you crying?  
I said, no i'm not.

Though i was crying  
i did not want to let you know,  
coz you'll stop talking  
that's for sure i know.

When you started talking  
i realized the hurt that i caused you,  
I wanted to say i did not mean it  
but surely you won't believe it.

You've given me a chance to talk  
to tell you my reasons,  
when i started speaking  
my heart was already crying.

Thinking this chance  
that you were giving me,  
you'll decide.....  
if you still want me.

While we were talking  
in my mind i was worrying,  
the words 'I LOVE YOU' that  
i used to hear were missing.

Then you said bye-bye  
you need a rest,  
tomorrow you have to work  
and need strength.

Softly i said bye-bye  
and whispered 'i love you',  
but i think you did not hear (?)  
coz there's no 'i love you too'.

For the whole night i was awake  
i've kept thinking and wondering,  
if you still love me when you  
wake up in the morning.

I am blaming myself  
for hurting you,  
hurting words that i've said  
which i should not do.

I am here  
pouring out my heart,  
it's my big mistake  
and i accept.

From my heart,  
I apologize.....please accept!

(Dy, i love you so much,  
ikaw lang ang mahal ko.  
Please accept!)

# 'I Promise You.....'

Reading your poems,  
where everything started;  
I was captured by each of them,  
that's why I've left a comment.

Oh my God!  
were my very first words;  
when I received your reply,  
thanking me for the comment to you I wrote.

My life changed so much,  
since you came into my life;  
it's always happy now,  
it's colorless, but now colorful.

My heart is overwhelmed,  
for the love you're giving me;  
never that I'd thought,  
this will happen to me.

Everything in me now,  
it's all yours;  
my mind, my heart, my life  
including my soul.

Life without you now,  
is painful to think;  
because I love you so much,  
and living with you is my heart's desire.

Forever..... I promise you... MY LOVE IS YOURS!

# My Heart's First Words

I LOVE YOU VERY MUCH  
ARE MY HEART'S FIRST WORDS  
EVERYTIME I WAKE UP IN THE MORNING  
AND THE LAST BEFORE I SLEEP.

DREAMING OF YOU EVERYNIGHT  
IS ALWAYS IN MY PRAYERS, THAT'S WHY  
EVERYTIME I OPEN MY EYES IN THE MORNING  
SURELY I'LL BE SMILING.

EVERYTIME I SAY THE WORDS  
'I LOVE YOU'.....  
I WANT YOU TO HEAR IT,  
AND FEEL IT IN YOUR HEART.

MY FEELINGS TOWARDS YOU IS TRUE  
SO PLEASE.....  
DO NOT DOUBT IT  
COZ I WILL FEEL BLUE.

HOPE THIS POEM  
BRINGS SMILE TO YOUR LIPS  
AND MAKES YOU HAPPY  
TILL YOU GO TO SLEEP.

'I LOVE YOU SO MUCH! '

# You'Re My Pillar Of Strength

You have lit up my life  
Since you came until now,  
I am happy every time we are together  
I loved every conversation we had  
Joking and teasing one another  
With laughters and sometimes with tears.  
My heart melts every time I see you  
and heard you cry  
Coz my heart's desire....  
Is to love you more each day and  
... brings joy into your life.

Now I would like you to know  
That I am thankful to have you in my life  
Thank you for your love and care  
That you have showered on me from the start.  
Thank you for bringing into my life  
....the happiness that I've been craving for.  
So my Love, be strong in every  
situation in this life,  
Coz when I am feeling weak  
I'll come to lean on you.

Your existence in my life  
Is the best I can ever have,  
Loving you is an experience  
that cannot be experienced again.  
I will always love you  
Be strong coz someone now is  
.....leaning on you.

Thank you for being my pillar of strength  
all this while.

I LOVE YOU!
