The Word Good

Anyone who proposes to do good must not expect people to roll stones out of his way, but must accept his lot calmly, even if they roll a few stones upon it.

Fake People

People think being alone makes you lonely, but I don't think that's true.
Being surrounded by the wrong people is the loneliest thing in the world.

Beauty

Beauty is like a flower

The beauty of a woman is deceitful

If you fall into the hands of beauty you will be destroyed

But beauty can be a blessing

It can be life transforming but when it is admired too much it leads to your
DOOM

Be watchful for beauty can destroy.

The Problem

The Problem is how you see the problem, if you help others succeed, you will succeed.

Remember your future is always a potential to be revealed and since it is yet to be revealed it may not have much value to you today.

All problems have an expiry date, keep your perspective right.

Both the past and the future occur in the mind.

The past is a memory and the future is an imagination, no one can imprison the power of your imagination.

Rarety creates value for discerners, Abudance creates value for the multitudes.

It's not enough to see the problem, you must solve the problem.

Success

Success is a journey not a destination,
One of the things we can do to help the poor is not to become one of them,
Do to others as you would have them do to you,
A great man shows his greatness by the way he treats littlemen.

The Future

The future is either bought or sold by the choices of today
And the choices of today are influenced by the paradigm you operate from
The secret of your future is hidden in your daily routine, your decision to pursue
God daily will greatly enrich your life
It's easier to say what we believe than be what we believe
What we are is God's gift to us what we become is our gift to God.

Never Give Up

No matter what is going on

Never give up

Develop the heart

Too much energy in your country is spent developing the mind

Instead of the heart

Be compassionate

Not just to your friends

But to everyone

Be compassionate

Work for peace

In your heart and in the world

Work for peace

Again I say again

Never give up

No matter what is going on

Never give up

Take Time

Take time to work, it is the price of success
Take time to think, it is the source of power
Take time to play, it is the secret of perpetual youth
Take time to read, it is the fountain of wisdom
Take time to be friendly, it is the road to happiness
Take time to dream, it is hitching your wagon to a star
Take time to look around, it is too short a day to be selfish
Take time to laugh, it is the music of the soul.

From That Day

From the day I met you, I
never knew our love would be so pure and true.
Every time I see you, you make my heart skip a beat
Since the day we got together, i have felt so complete
You light up my world like a shinning star
I know that what we have will go very far
Sometimes the things that we say are so wrong but I know that our love will
always stay so strong.
You are my one and only, my bestfriend, my sweetheart, any my true love
No matter what we go through, we know we are always there for each other,
when I think of you, I feel a glow, deep inside my heart, forever and ever we
shall never be apart.

My Feelings For You

When you smile at me, I lose myself
You give me this feeling that makes me overwhelmed
When your hand is in mine, I feel totally fine
And that's the reason I had to make you mine
Forever and ever till the end, i will be by your side through thick and thin
I love you more than you'll ever know
I just wanted to say I'm never letting you go.

Her

Her blue eyes twinkled and I knew
She loved me and it was deep so true.
The kiss land me away to some faraway place
My heart started singing when I touched her sweet face.

Fake Love

Never say I love you
If you really don't care
Never talk of feelings
If they really aren't there.

Tomorrow

Tomorrow is a new day

Each day has enough trouble of it's own

A day never goes without facing difficulty

Do not worry about tomorrow for tomorrow will worry about itself

Love

My love for you is like the raging sea
So powerful and deep it will forever be
Through storm, wind and heavy rain
It will withstand every pain
Our hearts are so pure and love so sweet
I love you more with every heartbeat

Aspire

Aspire to acquire
The desire you admire
It must misfire
Because you have a Messiahh
Who lift you higher

Life

When life is Uneasy
The trouble makes you dizzy
Do not become lazy
For God is busy
Making your life rosy
Because he is the reason for your living
