Enyinwa Okechukwu Enyinwa(Apiril 28 1986)

Enyinwa Okechukwu Enyinwa is from Amake Alayi in Abia state. I have published a novel, the beauty and the natural things around me inspire me to write poems. Through poem i believe we can change our world. I start writing poem the first day I came across Tupac's Rose That Grow From Concrete. Tupac is my favorite poet..

Africa

Black skins immaculate souls
we are Africans, the pride
of the creator.

From kilimanjaro
he veiw the world, that makes
Africa the continent of God.

We are Gold mixed with diamond
the wind from the west ship us
out now we are sky, never
desolated we are Africans.

The ego of mama Africa possess
our blood, so our tails are far
from dust.

Beauty is black so we are the
face of the earth.

The home of the seven rivers, the
voices of fascinating creatures
in the jungle made us believe
that black is the is the race and
Africa the root, in unison we beat
our chest to are Africans.

Africa Arise (My Song Of Rebellion)

Africans place your ears in
a plate and present it to me
may my heart and your be of
a lion that spot a lonely antelope
down the hill, as we dance to this
song of rebellion. we must rise along
with the sun and point towards
freedom.

My song of rebellion, we beat our
drums from the starving horn of
Africa as our voices intoxicate
by the sound of our drums makes
it way through the veins that make
us one parcel,
we must rise with the sun against
corruption.

My song of rebellion, freedom ain't
air our blood we must trade, peace
is a diamond but we must not give up
our rights in pursuit of it.
We must rise along with the wild
Africa sun against these leaders that find
joy in our struggle, may the courage of this
song weaken the corrupt soul of our leader.

Enyinwa Okechukwu Enyinwa

Africa Call (Black People)

You are black still your feet
know not Africa soil,

you are black still your
eyes have never witness
how the sun rise and fall
in Africa,

you are black yet you have
never nod or move your hip
to any Africa
music.

How free is your blood?
How thick is it? How long will
you remain slave and erased from
your Africa root?

Come home peace dwell here!

come and taste the runing
water of Africa,

come let Africa free you!

Enyinwa Okechukwu Enyinwa

Africa Flute.

Our soul feels the tune of the
Africa flute, as it dance it way
through the gentle wind.

This sweet melody supassed our
sorrowfull moments, so hands
gloryfy the full moon, in it we
trust.

Tonight we merry with our
gods, so the death are at peace!

Through our moves we intorxicate
and communicate with them, their
laughter out sound our voices so the
future is bright.

We are the children of the full moon,
and this tune made us Africans, and Africa is
ours..

All For Love

She asked for a diamond
I offered ' my heart '

She asked for paradise
I offered my smiles'

She asked for a chariot made
Of gold, i offered my hands.

She asked for a kiss from the
King's lips, i offered mine.

She asked for a sweet melody that
Makes heart merry, i offered my
Voice.

She asked for the Queens petal,
i offered the last lily flower in
my garden.

I gave it all for love.

All For Love (4 Her)

Am chasing the moon tonight.
And when I catch up with
it, I will Write your name within it.

I will write about your cute smiles
I shall sketch you until the stars
get drowned in evny.

And every creature will Witness
It and praise your beauty.

Enyinwa Okechukwu Enyinwa

Am An African

Am black! Am my father's son!
My blood is of black star still it
Pierced through the moonlight.

Am an African prince! Under the wild
African sun I was Born! It's tall trees
saw it happen.

The birds heard my first cry and
They rejoiced. My Joyful mum
Witness my first tears.
Am an African!

Am loyal to Africa sun! An African
breastfed me, so am a son of the
Soil. It's tall mountains can bear me
Witness.

Am an African! I drink from it's streams.
Gallantly I numb and Dance to Africa music.
It's dialect I embrace, when I speak my accent
Is of an African.

Enyinwa Okechukwu Enyinwa

An Angel

My heart bubbles, Cos God
sent me an gentle angel With
a sweet melody.

Her beauty is the sun that warms
My sky.
Her marvellous wings has no
Impurity.

Her laughter is more beautiful than the
Sound of harp.

Her sparkling eyes eclipse the exceptional
Dancing stars.

Then those cupid smiles that makes a
Sparkling diamond look ordinary.
Beauty is of your heart!

Armed Robbers

From house to house they go
demanding for what does
not belong to them, here they
display the words pressure and
terror on the victims, that goes
for the legs if the fish not
available, That is what they
believe, some are forced into
it why some born with it.
Christians believe in bible
muslem believe in quran
but in the metal work they
believe, which they use to invade
their victim, strong hearted and
gentlemen say is a
dirty Occupation, While the people
from the other side believes that
it is just an profession.

Back To Our Root

we are going back to our
root to start from where
our ancestor stopped. We
have come to make the
motherland best among
its counterparts, we are
back to our root i remember
many years ago we wonder
when we shall step our foot
in Africa? but right now it is
one hour different, inside
ship in the deep blue sea
full of lust to step our foot
on the land full of honey
and precious creatures.
We are back to Africa after
many years away from home.
there in far west been deny
our rights.

Beauty Of Our Love

The beauty of the sky lays within the wings of the birds and the stars, sun and moon.

The beauty of the ocean lays within the fish and it's waves.

The beauty of our love lay within our hearts and our tender touches during our exciting moments.

Black April (Genocide) Pt 2..

□

□

It is time again for the
ridiculous month it's by
the door again, the mouth
that goes down in the black
man history as the most
horroable ver it
april i fear that history won't
repeat a month, i can
remember children running from
one pillar to the other, with
fear in their eyes.

Youth are participating in the
kill of our patriot, raping our
mothers, innocent blood flow like
stream that never dry.If i should
have my way i would in same month
with the instigators no where to
be found, the innocent pay for been
fool by the egotist leaders□

Bleeding Heart (4 Brighid Ather)

Heart break! blood
Splash across the sky!

Even tiny eyes were expectators.

Love and lost!

I wish am a poet I would have dedicate sad words to you.

If I can sing, I could have sing the saddest tune to your bleeding heart.

And if am a painter I will draw your heart and paint it black..

But oh! Pitifull me, I don't have a artistic gift, So may your heart find peace
In real love...

Enyinwa Okechukwu Enyinwa

Brave Heart

Tried to fly but stumbled. Pain then
Came and conquer, so much that tears
Seems to be the solution still won't
Let it drop. Brave heart!

You want it? Then beat the
Wild deer to it! After darkness
Comes light, tears are for the
Glorious moments. Brave heart!

Looking out across the wild'
Moments when brave hearts
Soar high.
Hearts that enslave hard times!
Cloud a wild lion without a spear.
Brave heart!

Enyinwa Okechukwu Enyinwa

Broken Heart

Drown in love, threw
out with broken heart,
my soul cry, my heart
hurts my eyes bleeds.

The past memorys fill
my head and it hurts.

We have fly together
for years but you
forsake me on our way up.

I boost about what we have
among my peer, but since
you left my lips hardly move.

One thing for sure the door
will always be open whenever
you knock, but this time not
with emotion.

Fly and touch the sky
and may you wings never wreck,

swin in the ocean of love and
may you ship never sink.

I will be back, but this time
taking one step at a time.

Enyinwa Okechukwu Enyinwa

Broken Heart) Pt 2

My heart is full with sores,
am a victim of a broken
heart. Just picture my heart
bleeding as the ink of this pen
pour vivaciously. She took
advantage of my love for
her and ripe my heart apart.
'Ooh' my fragile heart, which
sin is worst than this? My heart
is hungry it have been yawnin,
Aphrodite smile at me, let my
years of sorrow be drown
in the ocean of real love.

Enyinwa Okechukwu Enyinwa

Burning Rose (Dedicated To All Refugees All Over The World)

Burning rose on a fertile land.
Eyes witnessing the drowning of
future's last hope.

Joy slip and fell real hard today, it had
The soil cracked.

Tears were dropped, but no one
Saw it. Cos they never care!

Purpose of breathing were put to
Doubt'

The world seems to be changing
As the pace of a leopard.

Where are the Heavenly blessings?
Cos all the eyes saw was pain, hate
And a burning rose

Celebration Of Death

Laying breathless like a log
with the little white stone in my
mouth taking every record of those
who show their love, Let my love
ones touch my head to my toe.
Jamboree is the order of the day,
drink to your full, hips move with legs.

Lift me up, let my wood box be touch
by all, tears of joy is the other of the
day, guess why cos it is the celebration
of the death, star in death, paparazi
taking shots. As i go down let flowers
trees rejoice cos am bringing blessing.
Heaven is open as the celebration
continue, the fact is that i will be back
after the celebration of the death.

Enyinwa Okechukwu Enyinwa

Christabella

I have heard about a song
title Christabella, the
melody is a light in the
world of the blind, her
voice dry tears.

Men imagine how soft are
the lips that bear this
voice, how tender are the
hands that love this drum?
She is the queen of the
black nation.

From middle belt this
melody invades the world
death is not a barrier,
power of art! ! ! woe to the
heart that does not acknowledge
fate play its role
through the wind that blows
from north to south.

Enyinwa Okechukwu Enyinwa

Christina Taylor Green. [miss Arizona]

Bang bang she is gone,
just a kid, Miss Arizona.
Bright as the sun, she has
the heart of doing good, a
diamond have been lost, a
precious one at careless
society is runing wild. Sorry
for not being there when you
need us most. She is now
an angel watching over us.
Staring at the sky, her star
is bright as that of Latasha,
Robert 'yummy' sanderford
and every little kids that have
fall victim to this cruel world.
Much love from Africa to
Christina Taylor Green, the
uncrown queen of America.

Classic Love

Our love is classic it flow
right through our vein then
find it place in our brain, it
intoxicate us. Sweeter than
honey, stronger than wine.
Planted on trust, devotion and
care, so high that they can't
touch together like
butterflies in erotic scene,
precious as music, fresh as
the morning word
hurt does not exist here, up
or down you stick with me
our love is priceless, it is
classic.

Enyinwa Okechukwu Enyinwa

Come Let's Dance (Celebration)

Tonight is the night!
tonight we tease our
troubles with our moves.

Tonight our damsel wild
hips shall conquer our
sorrows.

Call out the men! cos
tonight we shall stamp
on our haters.

Call out the children!
cos tonight their peaceful
heart shall lead this
battle and the full moon
shall witness this fight
Let the granies know cos
this is the night that we
shall make fun of pain.

Tell the grand fathers
to come out with their
keg of palm wine cos
tonight we shall drink
joy and long life.

Come let's dance.

Complete Puzzle

Around your heart circles the rainbow
Rings.

At your feet lays crystals, your
Beauty is a complete puzzle.

Then that smiles that lightens up
Mine, I saw the angels whispering
Jealously as you sings.

Your charisma makes the world
Yours.

Your pride amaze the legion of goddess.

Even Kings and princes toss flowers at
Your feet.

I placed you above the throne of Queens
And Princess.

I join the heart warming melodies of the
oceans, sands, rain, wind, Birds, fishes
To sing your praise. You are a complete
Puzzle!

Enyinwa Okechukwu Enyinwa

Courage

Courage

Let our misfortune be a
runing water!

Our courage borrow
a lava from the wild
Volcano even though
some of our rivers are destined to flow
after we have gone.

We made life precious
we can also turn death
into diamonds, if only
we can let our soul be
a wind far from the eyes
of men.

Enyinwa Okechukwu Enyinwa

Daddy's Little Angel

Daddy! ' Let go now ' his little angel
Whispered! He is the one.
He smiles, and found peace within
her Words.

Right in his eyes she took her first step!
Papa was once her favourite word.

He held the princess he raised with
tenderness and daddy did blessed
her with a kiss.

Walking down the aisle his tears
glitters with pride and love.
And she realised it was the moment
when heroes cry.

He whispered' I placed your heart in
his hands because I know he loves you'
But I love you most ' and daddy did blessed her
with a kiss.

Enyinwa Okechukwu Enyinwa

Danger

Here comes danger, a soldier in
civilian attire.

Here comes danger, a lion heart
with a dove face.

Here comes danger, a storm with
a sweet song.

Foolishly they made a son of the
gun king and expected slow tune.

His eyes while too dim to see a teardrop.

His followers shout Messiah to every of
his move, yet tears fill their hearts.

Enyinwa Okechukwu Enyinwa

Death

Sometime i see death coming
toward me, i have been on my
heel all my i can see
it catching up with only
mystery is how is going to happen,
i can picture tear and smile on
their faces.

If am gone pls don't clean my
name from the history book.
I have know pain all my life
been tell my
beloved consin Cici (Cecila)
not to cry for me, i knew it was
not our plan i know we shall
meet again across the river
Jordan.

Definition Of Our Love.

Our love is hot as sunlight,
dim but smart as the moon
light, tiny but cute and erotic
as the stars but can be seen
all over the world, vast as the
sky, deep as the ocean, priceless
like my mother's chable
like my is the definition
of our love.

Enyinwa Okechukwu Enyinwa

Destiny

Why siting down without
fighting for what is made
for you? You are made for
this battle, your mouth is
for this food do something
before it get to late, time
they say is no friend of no
body.

You have reach the cross
road here is the finish line
all that remain is a bit move
of you feet, it better be now
or never, don't just talk about
it fight for 't just look at
it take it, it your.

Enyinwa Okechukwu Enyinwa

Distance And Us

Heart of a drought land
till the moon find it's fantasy,
at thy nipples will my wary
lips find comfort. Still the gentle
wind of the day scares me cos
birds will whisper thy name
then lend you wings for keep.

If only flood will find thy desires
my heart will lay with the death,
when water subdue the land
and roses toss wildly around me,
my love for you can never be cloud.

Enyinwa Okechukwu Enyinwa

Don'T Judge

Never blame the heart
that is scared to love
'cos it probably has
been kissed by the wrong
lips.

Never mock eyes
that bring forth
tears
'cos it feels for the
heart.

Don't judge the bird
that fails to fly 'cos
it's eyes are still too
afraid to view the world
from the sky.

Don't cut off the flower
that fail to smile during
the sunrise 'cos when
heaven cries it will
blossom.

Never mock
the heart that
dreams 'cos it shall one
day live in the fantasy
it created.

Enyinwa Okechukwu Enyinwa

Doubt

The light became dark for night is here
again and i wonder how will it be in
heaven if there is one, will there be day
and night? will God judge us by our skin
colour? if so who will make it? the black
or white? the house the lamp of God
went to prepare how long will it take?
Are we going to pay house rent?
let just wait and see.

Enyinwa Okechukwu Enyinwa

Dreams Of Men

We are birds with
dreams of building
nets in the sky...

Enyinwa Okechukwu Enyinwa

Earth Is My Heaven

Earth is my heaven!
Before you cast your dices of doubts.

'Feel what I have felt 'Perceives the
scent that her hair gives.

Kiss these lips that I have kissed,
Watch her lips as she send kisses.

Have her tongue tease your nipples!

Starr at her eyebrows as she blinks.
Have her hands caress your body
Slowly and tenderly.

Her voice is that wind which erupt the
Morning snow.
Her smiles is the reality side of my passion.
She is by my side! So earth is my heaven.

Enyinwa Okechukwu Enyinwa

Ella

Ella you are gorgeous and
spetacular as the sunrise,
sweet as the honeycomb.
When you smile you cast a
spell on me, it pierced
straight to my heart, life
without your smiles is
boring. Your name is the
lyrics men want to sing,
apple is cute but you are
something else, the beauty
of your body is beyond human
inmagnetion, let my throat dry
up if i ever stop sing your praise.
'ohhh' my Ella.

Fidelity Of Love

Back in my hands even rain
could not stop us. Our heart
beat in reunion, think about
us then the fidelity of love
The angels wings are us, with
our throne in the moon the stars
can bear witness to these, when
we smile Romeo and Juliet smiles
love can testify to these.
Love dwell in us so live for love.

Enyinwa Okechukwu Enyinwa

From Me To You

Let the gentle wind be my breath around
you, the vast sky be my present, the
sound of the ocean be my voice. The sands
at the beach be the number of times i

ocean represent what we had, till we meet again,
from me to you..

Enyinwa Okechukwu Enyinwa

God Must Be Black

God must be black! Cos I see it
Right on my unique dark skin.
I can feel it right in my pride.

God must be black! I can feel
him right in my black manly strength.
I see his beauty within black women.

God must be black! Because the source
Of beauty lies in Africa. We walk on golds,
diamonds and crude oil that is class.

God must be black! Watch us dance,
Listen when we sing. We are so endowed.

God must be black! He who we embrace he embrace.
Really God is a black man.

Enyinwa Okechukwu Enyinwa

Hate My Fate

Tonight is just another
lonely night when one
feel and touch doubts
but i must scramble my
way out, but if darkness
crowd my heart, i want
you to know that i gave

Lost in my solitude i
felt the presence of death
griping my heart, i know
that i will not see the end
of my road.

I cry cos i can't looking
to your eyes and say goodbye
don't hate me or our fates
but hate my fate..

Enyinwa Okechukwu Enyinwa

Haters

Look at them with hungry
written all over their faces,
waiting to feed on me.
Each step i take for them
is a sleeping
their prayers is that i never
wake up, but they are not
God so am still breathin.
ha haa haterssss.

When am eating, like a lion
monitoring his prey, they pray
that the food will choke me
to death. They are waitin to
tell the story of how i fall from
the top, ha ha haaa look at
me am till on top of my game,
ride like there is no tomorrow.
Don't be mad cos you are seein
my success like a tears drop,
hey is God doing.
Haa haa haterssss.

These people did not want
me to shine, but look they are
not seein anything apart from
my light shining at their faces
like torch light. See am shining
without diamond imagine that.
Why mad at me? is it because
you can't get it the way i got it?
just pray that God give you
yours and stop hateing.... Anybody
God made a king no one can
take the crown off him, so he
made me one.
Haa haaa haterssss.

Humanity

She danced today' I heard her sing a beautiful song today.

My joy filled the cup of wine as I sighted her blossom like a sunflower.

Our seed of love has germinated, our sacrifice that knows no race or gender or tribes.

Let's trade guns for exotic fruits .
Sounds of bombs for music and
War for a festival of love.

Really, our gift to humanity can give life to a dying soul.

Enyinwa Okechukwu Enyinwa

I Cried

In my solitude I cried!
I cried because I missed your
Smiles.

I cried because I woke up again without
You by my side.

I cried because your voice was
Lost in the wind.

I cried because your kisses dwell
In the depth of the ocean.

I cried because am cold and
Your touches seem buried in the cloud.

I cried because you took my
Joy and went away.

I cried because I will never find
You to hold.

Drowned in my tears still
'I cried and i cried!

In My Solitude

If i ever get drown in my

glitter sources of the sky,
when my nose become a
graveyard to her perfume
which arose my spirit, when
my mothers voice is being
conquer by the wind before it
found my ears. If death stops
his procrastination before the birds
returns to their nets, may your eyes
stay rain free because roses shall smlie
around my grave.

Enyinwa Okechukwu Enyinwa

Inside My Heart

Whenever your thought
fills my head it tickle my
heart, just as the soil feels
when it rains. Distance is
our menace can we defeat it?

My tiny eyes are thirsty for
your awestruck bold eyes,
my hands shudder and my
hairs stands whenever your
figure hit my memory. My heart
wants you during the sun
shine and moon light my lips
are your heart, can yours be mine?
Let darkness be far from our world,
let love be our bound forever and
always.

Let Me Be

Just wanna be alone
i don't wanna smile,

Don't feel like dancing
My tears are gripin my
eyelids,

Don't say sorry
2 my weak heart, cos it
will only enrich my
weakness! Just let me be.

Enyinwa Okechukwu Enyinwa

Life

I have seen life.
I have touch life.
She is beautiful,
The last time i saw
her it was across
the road, she smile
at me and refined my
soul. I have seen life
I have touch life.

Enyinwa Okechukwu Enyinwa

Listen To My Heart

Listen listen to my heart beat
When i say i love you.

Is not a miracle that my heart smiles
when you say you love me too.

Cos your love has that touches
that redeem my soul.

Is not a coincidence that your presence
wakes up my smiles.

In my dreams i saw you in garden
Of flowers, your beauty was so captivating.
It's glory beautifies my heart.

Just listen to my heart smile!

Enyinwa Okechukwu Enyinwa

Lonely Heart

What can a lonely heart say
about love? what can a lonely
heart say about the beauty
things the day brings? what
does a lonely heart know about
smiles? can a lonely heart
feel and describe the beauty
of the rainbow? i know that
heart it has a place here, this
heart wants to love but there is
no heart to love, this heart
is dark as the rare view of
the blind, my lonely heart.

Enyinwa Okechukwu Enyinwa

Lord Prepare Any Day For Me

Dead push me like a
dream, still i just don't
care if he achieve this
massive dream, this

missing an alphabet.
Lord this is too much
for me, pls prepare
any day for me.

Enyinwa Okechukwu Enyinwa

Lost In Fear

The wind outside keep
whispering in my ears.

The cold chill my bone.

The dark blinds my eyes,
walls have ears.

I doubt my bravery.

The fear this place
brings is threatening,
my heart beats dim the
wolf howling.

Defeated! i cried, so i tame my
soul till night cease.

Am lost in fear.

Enyinwa Okechukwu Enyinwa

Love

Love we shall find,
but it will only

boom if our hearts
smile at each other.

Enyinwa Okechukwu Enyinwa

Love Confession

Our love is endless as the sky,
Innocent as a cub findin his
feet along the hills.

When she smlies my heart
finds peace within the garden
of Eden.

I smlies cos she is out there
thinkin about me,
i merry cos soon i will hold her
in my hands.

Am strong cos soon my lips
shall feel hers, She is the only
light that shine in my world.

Enyinwa Okechukwu Enyinwa

Love Is Unstoppable

Love Making [part 1]

I showed up with a warm smile,
The smiles that makes pants wet'

I showed up with a song tonight,
And my touches made her sing it'

The horny cold weather took the lead
my presence was so captivating'

She lies in my hands like a harp
Each string played invites organsm

Every words whispered was exciting
My soul worship her body'

My adventurous lips kiss it's way
down to her tights.

The aroma invites my tongue, she gap
For breath as I take her to the peak of organsm.

Enyinwa Okechukwu Enyinwa

Today! But it tenderness didn't match
Yours.

Mama, don't you know that you are
The light of my world? And i love
You more than any soul i have loved'

In tears you smile that is how

Man And Love

When a man is draw there
is always a space for the
heart. Within that heart
love have it's spot, the
moment love find that
spot that man is
complete.

Enyinwa Okechukwu Enyinwa

Marriage

It is often by the creator, the elders
believe that the dance is not for
the youth see it as a
test that must be fulfilled. It is a room
with no way out here love and faithfulness
is being relied on. Immediately the metal
work has entered the finger you are in, if
the flesh touches each other the door is closed.

Enyinwa Okechukwu Enyinwa

Me And Nature

I love to enjoy the wind that
rule the shore of the ocean,
i love to enjoy the wild sun
of Africa and the expatacular
snow of of europe,
i love to enjoy the beauty and
the fragrance of flower that
grace the soil of Africa (Europe,
America) .

I love to enjoy the divine beauty
of the sky at nite when the sun
and the stars proof their worth,
i love to enjoy the rain so when
it pour i dance my way through
it.

I love to enjoy the green grass so
when am within them i feel them
with my hands

of the brids, the sound of the
flute and that of the drum.
I love to enjoy nature..

Enyinwa Okechukwu Enyinwa

Me And Ruth

Have you hear about
the 2 mushroom standin

tall on the mountain top?
That which glister during

the winter and summer,
that is me and Ruth.

We are those birdz which it's
wings tickles the sky, that

same bird which whisper lovers
2 bed after their erotic touches,

am the cupid and she is that bow
is my hand.

Enyinwa Okechukwu Enyinwa

Misery Of Distance

Heart of drought land till
the moon find its fantasy
at your nipples will my
wary lips find comfort,
still the wild wind of the
day scare me cos birds will
lend you wings for keep.

My heart doubt this pain
within you, if only flood
can find your desires
my heart will dine with
the when the
ocean conquer the land
or roses toss around me
my love for you can never
be cloud.

Enyinwa Okechukwu Enyinwa

My Childhood

Before i had my innocence thrown
Between the laps of women '

Before i knew that a red rose can
Win a lady's heart.

Back when my heart has no
Wings yet it flys.

What is more cherishable than the
Smiles on my mother's lips when
She feeds me?

Then life was a smile of dove,
Running through the streets
Barefooted had the seeming of honey'

Voices of my peers at the playground
Was uplifting '

Dancing under the rain was always more
Inspiring than the voice of my teachers.

I was an ordinary African child finding
My ways through it soil..

I had a childhood i wish i could
Taste again..

Enyinwa Okechukwu Enyinwa

My Distance Relations (Dedicated To Nena Helen Enyinwa)

Staring at the sky i see you,

Till we meet you are and always

Enyinwa Okechukwu Enyinwa

My Erotic Girl

Fresh as a natural air

know what? what? she is
my erotic girl.

Enyinwa Okechukwu Enyinwa

My European Dream (2 Those That Die In The Ocean Trying 2 Escape The Africa Struggle)

Wake up this morning

I hope to find my way within
it snow and accomplished my
hanging dreams.

Enyinwa Okechukwu Enyinwa

My Global Warning (Dedicated To Wangari Maathai)

</>I wish we understand the voices
of the birds as they give their
views on the dazzling look of the
earth from the sky maybe we know
how privileged we are to have
dominion over it.

If only we understand the roars of
the Lions as they praise the splendid
look of the forest we will stop cutting
and plant more trees.

If only we could listen to our hearts as
it praise the seductive, moves of the
of the fishes we will show our waters
more respect..

Enyinwa Okechukwu Enyinwa

My Grieving Heart

Long and lonely road, even the
trees Ain't Smiling. Am a bird without a
Song. A grieving heart!

My sin is a shade to rain drops,
Cos I have break an angel's heart.

I feel so cold, and long for your touches
But it seems to be lost in the dark.

Try to find joy in the dazzing waves of
The ocean but it is just another fantasy.

Even try to count the stars, but it seems
Impossible without you.

This tears of loneliness never dry.
There is no way out! Please Turn on your
heart and love my grieving heart
once more.

Enyinwa Okechukwu Enyinwa

terror?

Enyinwa Okechukwu Enyinwa

My life is floating on the ocean
of death, heading towards
internal peace with great pace,
'Please call me not, let peace
reign ' cry not let death not feel
supreme to my soul' let my grave

Enyinwa Okechukwu Enyinwa

My Moment Of Agony

I cry i cry but i cry to my

No To Racism

Blood brings u together
why does skin colour
tear us apart?

Language and our skin colour
is the symbol of mankind

mine?

I see myself in those white
skins, why can't them see
their self in mine?

Our skin is the bound between

when we dance together.

his hands on the childern of the
earth which make them love him
more than any creature, he comes
out once in full moon to play with
the childern of the earth.

Oh God) Battlefield

Come down oh mighty man of valour!
The battlefield Is all set.. My foes
beat their chests and boasted of their pass
success in battles.

They sworn that my body shall turn cold
Before the sun find it's peak. They parise
Their gods and make fun of you, even
Invited you to the battlefield.

They said am lost in this wilderness
And doubted you as a helper. Oh lord
Their words are terrifying but you are my
Shield.

Oh God arise for this is your battle!
Make them bite their words until their
Teeth hurts. Change my name to David '
May their souls account for the words
Their mouth speaks.

Oh God may your divine arrow rain upon
Them! Feed them with fear ' let your name be
Praise..

Our Days Vengeance

Birthdays celebration have
gone with the wind, we now
celebrate death, my peers
now pay rate at the cemetery.
Our heartless leaders smile
at us, as hunger take us for a
banquet they call us
fools and drink to our pains.
Soon we will storm the street
with our head up runing through
them, pulling walls down. Bang
bang let the glass splash, they
rush we rush, yell we yell no
no retreat no surrender, let death
come and we will dance to it. that
moment we will be known as our days
vengeance.

Enyinwa Okechukwu Enyinwa

Our First Kiss

Back when love worth a fountain
Of gold and kisses have the Taste

Tongue, with the rhythm that made
hearts smile'

Your hands around my neck
Eyes closed i feel safe in your world..

Even the Angels called the stars
On us..

Enyinwa Okechukwu Enyinwa

to you as eyes are dedicated to the beauty

Red Roses

Bed of red roses, each kiss
Was written in gold. every touches

Eyes of an wild eagle, lips of a dove
Strength of a lionesses,

The victim i was all night long
Yet my heart merry'

Lips glue to my nipples, i moan
And moaned

Enyinwa Okechukwu Enyinwa

Regret

Regret linger like fire that
burn deep' stick like sweet
memories that you never want
to let go.

Kill your side will to survive
at day they become your shadow,
shadow you can't escape.

In dark they appear as ghost,
scarry to face!
Turn nightmare in sleep,
pictures of hell.

Few survive many fades in depression,
cured in death.
Tonight i rest! What i did is done!

My joy in Jesus christ set me free
from these chains.

death roams like a thief but the blood
of the lamp is my shade.

Enyinwa Okechukwu Enyinwa

Remember Me (Dedicated 2 Those That Have Lost A Special Friend)

Woke up with tears of cold,
Stuck in the pain of reality.

Sting of this pain glue my
Heart to heaven.

The walls seems closer.
Your deep breathe is all I felt.

I choose your heart to love
Your lips to kiss, and tonight
Your hands to lay breathless.

When I cry she wipes away her tears
That is how the story goes.

As my last breathe heads home, with the
Angels wings
I will be that roses when you find
Beauty.

That sunlight when you search
For light.

Hope you smile when the Birds whistle.

May our sweet memory lay
Within your heart not your
Tears, cos tears fades away
Like sweet music. Remember me.

Enyinwa Okechukwu Enyinwa

Feel excited,

You are a floating rose in my heart,
The feelings say real love and on my
Knees I will sing this same tune.

Heaven! Heaven! Hear me now! !

Am able to breathe when I think about
Her. She knows my heart!

Song Of Wishes

The world is falling apart, getting scaring
And scaring so I made a song.
A song of peace, full of wishes and fantasies.

If only guns are flowers and bombs is just a music,
imagine how beauty will rule the world.

Imagine all religion have it roots on love
Earth will be peaceful as the sky.

I wish all men knew of the treasure that lays Within the
heart beat of women.
Maybe we will show more respect.

Imagine all kids were given the chance to smile,
pain would have been far from our world.

If only we know the value of tears, maybe
we won't let one drop.

If only hate is compassion imagine how divine
Our hearts will be.

Imagine we all kiss the right lips, tenderness will
Cloud our hearts.

I Hope we all sing my song of Wishes.

Sons Of Our Father

The field is green, sky high one at a time we go.
The two legs move so fast lookin up and it is blue
all the ise on earth you can call it. Here
we feel his all over his face.
Lord let this moment never pass i pray, cos i prefred
it to oppsite side of him.

Before going to bed his lips touch ours with smiles
written all over his face. In him i see the man i want
to be in future, he never hit us, she is the one that
do all the dirty job, but whenever she does it i know
is for our own good.

Dad want is death? my younger one asked, i can
see smile fade from his face, it is a msyttery son
a big one, but we shall all go home one day. But
dad we are at home this one the up there,
i mean heaven, that is if you live a holy life, son.
But i guess i have to go dad? because
elders have to go frist.

Our tear can't heal cancer

Upon My Death

Upon my death! Tame your eyes,
Distance your tears far from my
Cold heart

Upon my death immortalize me in
Pictures 'mourn me with kisses'
Let the Birds party around my casket
so i can excel Then prevail.

Glorify my good deeds but cremate
my sins.
'give me those roses i never had'

Upon my death grace my casket only
if you have coins to toss.

Warm my path with sweet melodies.
Because the journey will be quiet
and lonely.

Mourn me as I wish upon my death.

Enyinwa Okechukwu Enyinwa

Wake Up Biafrans

Why did we allow a mere
whistle of the birds out sound
the war cry of odumegwu ojukwu?

Why did we allow our heart to be
a river? a divided river at that,
why not the vast and mighty heart
of an ocean?

Why did we allow our hunger for
freedom dim as a eye living it
fantasy of sleep?

Oh! oh! my Biafra i see thee through
the rising sun, the sun that will set
towards the east and dim towards the
north.

Wake up Biafrans and reclaim your
rising sun.

Enyinwa Okechukwu Enyinwa

What Do They Know

What do they know about our heart beat?

what do they know about the passion that
lay within our heart?

they were not there when we had our first kiss.

They ain't know the joy
that flow when we smile
at each other..

They were living in fantasies when we took
the road full of torns, scream at each other, then have a make up sex.

Still they ain't know of the peace we swim in when we lay within each other
hands..

So what make think they can tear us apart?

Enyinwa Okechukwu Enyinwa

You Live On.(2 Malik Morris Dec 1991 To Dec 12,2008)

If only they knew the space you
conquer within our heart. If only
they knew the value of the love
you and mum share.

They thought they shot your
star down, but in our world that
same star is the brightest.
they thought they enrage your
image but in your mum's heart
you rules.

When the birds mesmerize the sky we
see and feel how free your soul
dazzle the sky. When the birds
whispers your voice comes through,
mum smiles.

When the green grass find the peak
of the mountain she will hold you
again. Inmortalilty is the word made
for the brave, in our heart Malik you
are one. You live on.

Enyinwa Okechukwu Enyinwa

You Rule My World

Your smiles pierce through
the heart of the wicked,
but encourage the poor.

within your voice i have
find peace, your sultry
beauty no lady can match,

withhold your beauty, you
are my full moon.

Treasures that lay within
River Nile can't match your
beauty, under the wild sun
i will praise your smiles,
when heaven cry i will dance
to your songs..
Chi you rule my world

Falling from the sky. Blessings it
Seems because it fell on your heart.

Full of exotic fruits that enrich life.

If only distance have conscience!

Just to sit and watch you smiling.
