Eubene Baldwin(April 21,1990)

I was born and raised in Columbus Ohio, I have had a pation for writing poetry and other litature for 9 years now, I am 20 years of age and I have had a very rough child hood. Though my poems may not include such hored memories. I like to write mainley about love and friendship both of which I am not good at. I am not writing these poems to get noticed I am just looking for feed back from other litature junkies such as my self.

Forever Yours

it's forever yours, if your forever mine.
I promis to give, as long as you will try.

Your heart and mine, never dull and never dry
always be there and i'll never hide.
Your heart belongs with mine.

You and I, one of a kind.
You and me, long to be.
Together we will share, greeat memories

It's forever yours, if your forever mine,
I promise not to lie, as long as you promis to always be mine.

Our hearts shall never divide,
Our love, what a perfect vine.

How Do I Describe

How do I describe the pain I feel, I'll emphasize when I tell you about the betrayal.

Always there, never gone in this case I was wrong. I'll soon find a heart in which I belong.

I'll find the one who makes me happy, never sad, I'll sometimes cry but not too bad.

We'll laugh and play, and the memories of you will go astray. Not over night and not in one day but soon they will fade.

How do I describe the pleasant bliss. I'll emphasize when I describe this new first kiss. - Joshua Eugene Baldwin

So Long

From day one you told me what you thought, and how this day would come, how I would regret letting you go and not keeping you close.

It's been so long since I last spoke with you.

Out of the blue I send a letter stating, those regrets are true.

So long, to my heart because it's in a Hurst, so lost and froze, this is a curse.

From the start you said I broke your heart, but to this I did not believe because the feelings you felt I did not receive..

It's been so long since I felt a feeling and now the pain is killing.

Inside I try to hide but my remorse has driven my life off to another course.

From day one I've told you the truth and now I'm begging for you to take my love and receive this compatibility between just us two.

It's been so long since I've loved quit like this, and now I thank GOD for my new wonderful gift. - Joshua Eugene Baldwin

Tell Me Why

You've been hurt, lied too and kicked in the dirt.
You're tired of trying and tired of crying, not sure
if you can love again, so my words are just words in the wind. I think you think
of me often, I know you know I think of you often. How can two become just
one. That's what I'll find out before my life's purpose is done. O how I sit and
wonder of what you are wondering, O how I sleep dreaming of us becoming.
Such a perfect pair, I'm so close yet life isn't fair. Your family I'm learning, your
trust I'm earning, my heart is burning from worrying. Tell me it's true what I feel
is the same from me to you, Tell me it's true that this isn't a fling that's going to
end next time I see you. - Joshua Eugene Baldwin
