A Prayer

Give My Prayers & Supplications, A Good Influence, Oh Lord
Bless Me With Everything, What I Deserve, Oh Lord

By Which Mountains & Oceans Will Get Shocked,
Bless Me With Such Height & Depth, Oh Lord

Get Everyday Kind To Me, Everywhere Garden I Be!
Make My Every Thorn, A Flower Beautifully

In My Life, Continue The Spring's Ray,
So That Autumn & Winter Will Stay Away.

My Character, Thinking & Speech, As You See
Oh Lord, Depending On Purity & Truth, They Must Be.

A Sweet Proposal

Without Knowing My Name & Nature
Let You Today With Me Adhere

Let Us Go Together With Valour
Just You & Me To Share Our Allure

A Happy Life Like An Adventure
A Blessed Feeling Of Admire

I Swear I Will Leave You Never
I Swear I Will Love You Forever

Truly Our Love Is Not An Amour
But A Relationship Open To Share

Let Us Live Together Forever
Even If The Situation Is Highly Severe

For Me You Will Always Be Charmer
A Person For Whom I Have Strong Fervour

I Will Never Let You Go Afar
For You I Will Fight Every War

Come On

Come On! For I Am Feeling Lonely
Come On! For I Need Your Company

Come On! For I Am Dying Acutely
My Heart Is Fiercing Flames Like A Smithy

Come On! For I Need You Only
The Pain Of My Heart Will Vanish Fully

Come On! For I Am Living Painfully
Of This Pain, Only You Can Relieve Me

Come On! For You Should Always Be With Me
With You Only, My Heart Beats In Reality

Come On! For Only You Can Make Me Happy
From The Sorrows, Only You Can Set Me Free.

Ghazal

Zindagi mai humko kuch aisa bhi karna chahiye,
Jab kabhi apno se jang ho to haar jaana chahiye.

Aasmanun pe jo hum pohnchenge to lazim hai ye,
Jab kabhi dharti pukare to laut aana chahiye.

Zindagi mai gam bohat hain, baat ye sach hai magar,
Jab kabhi mauka mile to muskurana chahiye.

Shirk hai makhlooq kai aage jukana sar magar,
Jab kabhi ho hukme Rabb to sar jukana chahiye.

Tum bhi meri ek nasihat yaad rakhna aye Faheem,
Jab kabhi dil naumeed ho to sajda karna chahiye.

Ghazale Islah

Hai baat jo tere dil mai, kya tu woh keh nahi sakta
Ashk jo ruka huwa hai kya abb woh beh nahi sakta

Kya ye nahi hai mumkin ki teri souch mai ho badlaav
Jo dil bana tha butkhana, kya usme ab Khuda reh nahi sakta

Tuney to ishqe sanam mai hazaroon sitam sahe hain
Kya tu Khuda ke ishq main kuch aur sitam seh nahi sakta

Gumraah

Rastein hairaan kyun hain
Manzlien pareshan kyun hain

Kyun nahi hai sahara koi
Rah kyun bhula bichara koi

Kyun Khuda ne bhi saath tumhara schoda
Kyun har humsafar ne hath tumhara schoda

Tu bata tujhse huwa aisa kya gunah hai
Tu bata tujhse aaj rutha kyun Khuda hai

Sonch zara ki badlegi teri taqdeer kaise
Dekh zara ki kategi ye teri zanjeer kaise

Kaise ab tujko milegi manzil
Dekh to kehta hai kya tera dil

Agar na ho tujhe uljan to sunle khol kar dil
Ho sake to raaste ko hi banale apni manzil

Guzra Daur

Kahan gayi wo saadgi
Bahaaron ki wo taazgi
Wo khushnuma hawa kahan
Wo khoobroo samaan kahan
Kahan gaye wo aabshar
Kahan gayi wo chandni

Kahan wo bholpan gaya
Kaha gaya wo bachpana
Wo humdardi kahan gayi
Kahan wo rishtedariyaan
Wo aana jaana ab kahan
Kahan gayi wo yaariyan

Hope & Pray

Hope & Pray I Will Be With You Anon
Our Love Is Growing Fully With Accretion

With Love & Care & Admiration
God Will Soon Perform Our Adhesion

In My Heart I Have Written Your Appellation
There I Give You My Full Attention

I Shine With You Like Sky With Sun
With You I Am In My Full Passion

Let Our Souls Be United As One
Though Our Bodies Are In A Bit Separation

I Love You Because Of Your Disposition
For Me You Are The Sine Qua Non

Kashmir Is Burning (Urdu)

Koi awaz ab uthaye ki kashmir jal raha hai
Koi insaf ab dilaye ki kashmir jal raha hai

Har fard hai pareshan, bechain o dil shikasta
Koi marham inhein lagaye ki kashmir jal raha hai

Maon ki goad suni, har baap tadap raha hai
Koi inki sunle haye ki kashmir jal eaha hai

Zalim hai sena tane, mazloom hai besahara
Koi zulm ab mitaye ki kashmir jal raha hai

Din mai bhi hai andhera, khurshed bhi hai benoor
Koi shamma banke aaye ki kashmir jal raha hai

Khuda Jaane

Uski ik deed bhi abb mujko mayassar nahi hoti
Uski mohabbat kaise mayassar hogi Khuda jane

Uske bina ik pal bhi zinda rehne ka nahi socha tha
Uske bagair sari zindagi kaise basar hogi Khuda jane

Uski mojoudgi mai zindagi jannat thi mere liye
Uske bagair zindagi kitni sitamgar hogi Khuda jane

Faheem Iqbal Wani

Mohabbat

Mohabbat ek lahasil sa fasana hai
Ye kya hai? faqat dukhun ka ik ghazana hai

Mohabbat ek jazba hai iisar o qurbani ka
Ye kya hai? dastaane shama o parwana hai

Mohabbat do ghadi ka saath nahi aur na koi khel
Ye kya hai? do jismun ka ek jaan ho jana hai

Mohabbat kabhi answun ka rela hai to kabhi gham ka jam
Ye kya hai? apni ankhun se ashk o khoon bahana hai

Oh My Beloved

Oh My Beloved, I Am Writing This To Express For You, My Love.
My Love, Seen & Unseen, Just For You, Then & Now.

Oh My Beloved, Whenever I See You, A Divine Feeling Arises In My Heart,
That The Almighty Has Made You As My Eternal Part.

Oh My Beloved, My Heart Is Filled With The Love Of Yours
In Your Company, I Am Happy Even In The Saddest Hours.

Oh My Beloved, When I Pray, I Just Pray To My Lord To Join Our Hearts & Souls
With This Dream, For You I Can Give Up, For You, All My Goals.

Oh My Beloved, So Accept My Love As A Favour To Me
For I Promise You To Always Keep You Happy.

Oh New Year

What is new in you, tell me oh! new year
Why are people busy in celebrations everywhere

Neither the light of the day, nor night's darkness has changed
In my sight, nothing in the world has changed

The earth is unchanged and the same sky is there
Changing of numbers is not a big deal, oh new year

Every character of you is like other years
You have got twelve months, everybody remembers

January, February & March will be of winter,
While April, May & June will be of summer

In your presence some people will gain and some suffer
You will definitely pass after your period is over

If you are new, then show me new dawn, new dusk
Otherwise, i have seen years changing like tye face's mask

Why are the people greeting one another in vain
Have they forgot the times full of pain

With your arrival death has came closer to the people
The poem i have written is unique and beautiful

Toba/Repentence

Sarie zindagi gunah karke mai gir gaya teri nigahun se,
Toba meri qabool kar, mai tang aaya hoon gunahun se.

Khud ko mai tod baitha hoon, maula tu joud dey,
Sunah hai behad mohabbat hai tuj ko apne bandun se.

Mere A'mal siyah hain, maula mai janta hoon,
Par phir bhi nahi naumeed mai tere rehmatun se.

Isi ummeed pe ya Rabb ab tak mai jee raha hoon,
Pigal hi jaayenge mere gunah aakhir mere naalun se.

Darde dil ko faqat isliye maula talta raha hai 'Faheem',
Ki ik din aayegi is dard kiy dawa aasmanun se.

Tonight

Why tears are falling down my eyes tonight
Why, my soul is flapping restless tonight

I once had my heart full of peace
Why, then it is longing with pain, for peace tonight

I still don't know what fault I committed
Why, the one who was once mine, is a stranger tonight

What have you gained by destroying the peace if my heart
Why, then, you prayed for my joy, if you had to snatch it tonight

For you left me, my heart has ceased to beat
Why then there is the pain, if it is dead tonight

Welcome To My Kashmir!

Welcome To The Land Of Oppression
The Land Of Blood Shed
Welcome To My Kashmir!

Welcome To The Land Where Life Has No Value
The Land Whose Sons Are Killed For Nothing
Welcome To My Kashmir!

Welcome To The Land Of Custodian Killings
The Land Of Tragedies & Massacres
Welcomw To My Kashmir!

Welcome To The Land Whose Security Forces Are The Biggest Cause Of Insecurity
The Land Where So Called Peace-Keepers Are The Biggest Terrorists
Welcome To My Kashmir!

Welcome To The Land Which The Pandits Call Their Mother Land
The Land Which When Needed Sacrifice, The Pandits Left
Welcome To My Kashmir!

Welcome To The Land Where Every Family Has A Tale Of Sorrow
The Land Where Army Kills Civilians By Labelling The Terrorists
Welcome To My Kashmir!

Welcome To The Land Which India Needs Badly
The Land Whose People India Does Not Need
Welcome To My Kashmir!

Welcome To The Land, Once A Heaven
The Land Now A Hell
Welcome To My Kashmir!

Wrongly

I was not a wrong word but I was written wrongly
I was understood wrongly & I was spoken wrongly

I was a delicious fruit but I was eaten wrongly
I was a beautiful show but I was shown wrongly

I had not any faults but I was tested wrongly
I was a good medicine but I was taken wrongly
