All The Hurt

all the hurt you put me through,

all the pain i went through,

you caused it and now its time to bring it on you,

you dont know what you do to me..

you make me cry and put me down but when i do it to you it all turns around,

i've saved you once and i wont do it again,

you went to the hospital once and i was there but you better believe i wont do it again..

you do what you want but when your hearts stops dont think im gonna save you...

all the hurt you put me through...

Brown Eyes

behind these brown eyes,
 you cant see all the hurt,
behind these brown eyes,
 you cant see my lonely tears i cry for you,
behind these brown eyes,
 you cant see all that love i have
behind these brown eyes,
 you dont see the grown women i've grown to be
behind these brown eyes,
 you just dont know what to do
behind these brown eyes,
 you cant see my love for you or the pain i go through to make it through to
you that i love you...

your my father and through my brown eyes my love for you hides because you
hide the same as i do...

for: my dad

Emotions

love is a gift, a gift that can be shared

love can guide, guide you in your way

love gives you hope, hope you can always depend on

love is a way of emotions, emotions that show your gift, your guide, your hope,
and your emotions.

I Dont Know What To Do...

i am so confused without you,
i cant stop thinking about me and you,
all the weekends and days we spent together just to say 'i love you'
i miss you so much i dont know what to do,
i hurt everyday just to think about you
i will see you again sometime soon and when i do i cant wait to say 'i love you'

this one is for patrick..i love him so much

The Love

the love i have for you is undefineable,
you make my day and fill me with joy,
maybe one day it can be me and you.

you make my day and more..

i cant explain how much i love you,
and i might just be scared to the real love for you,
things have changed and their soo great,

the love i have for you is unpredictable,
you show me soo much..

the love

What Hurts The Most

what hurts the most was being so close.

its getting harder everyday, getting up, getting dresses living with disrepret.

i thought about the day you went away and its getting harder to explain..

never knowing what could of been, not seeing that love again and watching
you go away was harder than anything..

in remembrance of my aunt cathy...

You

you left me here to freeze,
you turned your back on me,
but its all cool cause remember i was the one that loved you,
i did soo much for you and you played me for a fool,
theres no more me and you so get that through,
i should of known you would play me for a fool,
so many tears i cried but i realized your scum...

this is to all the liars and cheaters out there.....

hope all you women find your true love cause i did
