Can'T Explain

I can't explain myself,
I was inlove with C,
Because he was cute,
but now i like B,
he is smart, cute and funny^^
i have dreams of B's friend R,
R is nice to me and he is smart!
And C doesn't even talk to me!
last year he was my bestfreind^^
i am so counfuse!
Who should I pick?

Like Him

I like him,
he does not
I get out of control
I get jelous
alot,
thats what I've been told
he hugs me
once or twice
I feel warm inside
It's like rolling dice
with out him i'd die
taking chances
to a new road
watching him
in time
he's my heart's
secret code
back of he's mine!

My Friend's

I don't like you
I don't care
just one, two
people I can share
my friend are funny
my friend's do shine
one thinks she's a bunny
They are mine
We get in trouble
and we don't care
our mind goes bubble
do you dare
count to ten
Are you my friend?
