# Truthful Lies

Empty promises with gasconade  
Eating the nation papers with exultation  
Assemble to make laws  
Dissemble to violate natural rights  
Indeed Politics is worthless.

False promises and artificial truth  
Fake empathy and fraudulent sympathy  
Alleging serve before the folks  
Yet, it is enterprise and nepotism  
Indeed Politics is worthless.

Phony characters lie unchallengeable  
The real Obara with his false truth  
Crown one another with different stars  
Yet Jaguda heads white-collar con  
Indeed Politics is worthless.

Coming in; going out  
Folks seek justice  
Falling into the deep Oasis of truthful lies  
Bogus politics obsessed with power and position  
Indeed Politics is worthless.

Power stays with time  
Thine leave or he vamoose  
His existence is to make truthful lies  
Indeed Politics is worthless  
Power makes him worthy.
