Love Is To Love

Nothing can be exchanged for Love
It has the magic to stand all alone
It removes fear of you but give in fear
That you may lose your beloved

No umbrella can save you
when it rains Love
No shade can protect you
When it rays Love

Like Fish is to water
Like Life is to death
Love is to Love and nothing else.

Monoku - 1

Silence speaks louder than the cloud burst.

Shining Bright

The darkness of this life
Is not the path I wish
To walk on and proceed
Let the shining light be bright.
