From Christina

Pants butterchurn along
afterglow by the slave
decent in a riot! Gut
air is sad
to a dog knows who?
The show like a volcano mouth
of 8x10 format sick
squatting tunnel lower back...
Knot braid from a pack of dogs
look it's easy to love
alleyway curled visually
lips to an ironic one.
Indescribable cages dozed
creamy white mons Venus
above the table the cock cozily.
