A Poem My G/F Wrote To Me

I love you Griffin more than you'll ever know I'll hold you tight and never let go
You make me smile all the time even when you try to rhyme I love you more
than my own life, it's true Kiss me baby under the sky shaded blue When we first
met, you stole my heart I cry everyday when we're apart I want you to know it's
ok when you feel stress Just think of the day when our bodies will forcibly press
It's also ok when you don't talk to me but rather study for a test Because that
shows me that your trying your best keeping me happy is where you don't slack I
can't wait for the day you get back Your hugs and kisses I always crave You're the
best boyfriend and totally my fave Griffin is the reason for my bright shine I
couldn't be more happier to call him mine When I talk to you my heart begins to
race In your arms is my all time favorite place I want to lay next to you every
night Because Angel Rayne Mahan just sounds so right Baby you are the most
amazing guy I've ever met I'm marrying you one day and that's a sure bet I'll
love you till the day I die and be there when you laugh or cry
10/05/08 was the greatest day I've ever had boy ohh boy you make me glad
From lunch with a crazy waiter to walks on the beach It's falling madly in love, to
the world we teach Forever yours my sexy fiance Just a little more time till our
wedding day Thanks for your poem it was very sweet I couldn't help but write
you one too, consider it my treat.

I love you Griffin Mahan <3

Bad Day

so yesterday was ver bad
she made me fell very sad
she used me for this other man
and i guess that was her plane
i cant believe i fell for her games
and now my heart is in so much pain
why did it have to happen to me
but i guess now i see
i wasent good enough for her
even if i thought i was
i dont get it
why did it have to happen to me
we were suppose to be meant to be
i guess i will have to move on
and forget all about our song
im sorry that i couldnt be the man you want
but i guess thats life for me

One More Poem To Her

10/5/08 was the best day of my life
Everything feels so right
Since the first day that I laid eyes on you
I knew it had to be too good to be true
I knew from that day on that you were the one
And we always could have so much fun
And I could sit with you on the beach all day and watch the sun
When were apart I fell so sad
When I get home I fell so glad
I can't wait for another date
We will go through good times
We will go through some bad
But remember babe I will never stay mad
You are the one
And when were together I always have fun
It won't be long till I'm in your arms again
Me and you it feels so right
And I can't go to sleep without you every night
And I never want to fight
I can already hear the bells ringing
If you listen closely you can hear the birds singing
That day will come quicker than you think
And I will be glad when it does
As for now just remember this
When I get home you are getting a big kiss
Your mine forever
And I'm yours to
And together forever
You know it's true
I love you angel forever (10-5-08) happiest day ever

Summer Is Ending

summer has gone by so fast
o why o why you may ask
it was good for all
i have so many god memories from this summer
and some that were not so great
but i went on alot of dates
i meet so many new people
that i am glad to here
they all wana make me stand up and cheer
im so happy to be almost done
and soon you will no i am number 1
i try so hard to make this summer great
all i wanted was to take this special girl on a date
but i didnt have the nerve to ask her out
so now i will never no how she really fells
i meet her at work
she was so perfect for me
but i didnt ask her out
and now its to late
to ever take her out on a date
but thats lifde i guess
you win or you lose
but just rember every ones a winner
so no i have to say goodbye
because im late for work and my boss might cry
i really hoped you enjoy my poems and there will be more to come
after i chew on m stick of gum

Summer Time

summer time is almost here
and evry day that it is aproching i want to get up and cheer
i can not wait to get out of school
when i can go to the beach and be cool

and then when i graduate all will cheer
i could not be happier all i want
