A True Friend

A true friend sticks right by your side till the end.

A true friend dosen't make fun of you.

A true friend dosen't talk bout you be hide your back.

A true friend is one you TELL EVERYTHING TO.

A true friend is some one who smiles at you.

True friends are people that stick together for they're whole life till some one dies.

Brother

Who all has a brother? Are you tired of listening to him cry and yell? STOP the thing all you have to do is get ear plugs and lock your self in your room till he goes to won't hear a thing.It's the right check with your parents first.

My Mom

My mom is #1
My mom is not #2
My mom is hip and cool
Whenever I see her face I smile.

MOTHER
OH THANK GOD
MOMMY
